the bottle and the cup. "Then, as the wine began to flow he turned his eyes again to the young lady, and, while the precious beverage trickled through the punctured tin cup, the poet of the Sierras, all unconscious of his loss, gave utterance to an eloquent apostrophe which included in its picturesque rhetorics the charms of woman, the glories of nature and the potency of wine,

"At the climax he raised the cup o his lips and tipped back his head. The strainer was, of course, absolutely empty. The poet gazed at the perforated bottom, and then, as the truth of the catastrophe flashed upon him, he forgot all about the feminine charms and natural scenery, and broke forth into a volume of objurgation startling even to men accustomed to the strenuous vocabulary of the frontier. It was not profanity, but rather a poem of passion. As it was not recorded, a masterpiece of invective was lost to the world. At the first volley of the poet's ricochetting adjectives the young woman
