Senator Fulton, of Oregon, had a cut into strips and supported three I am a king, mother, far away, comi ission, in Washington, yesterday, and made arguments against the policy of the government in the forest reserve issue and in the matter of the timber and stone land act. which will be a surprise to many admirers of Oregon's junior senator.

In speaking of the rigid enforce ment of the timber and stone act, he objected to the questions now asked entrymen, by the land office officials, in regard to use good faith of the filing, and as to his intentions to transfer title to another, in the immediate future. He said this drastic quizzing is unjust, that it is none of the government's business, practically, what a man intends to do with his land after securing title.

He said the outcry from Oregon against the absorption of the public of peace oincers, the more trouble says it is a mistake to parcel out the priceless timber lands of the West in quarter section tracts. Companies should be given the privilege of buy- Twilight, and Tweed, and Eildon Hill to be able to build mills on these nocent men are in this way made the victims of pernicious plots by tracts, without being compelled to undergo the uncertainty of buying the which petty officers fatten and con-
