implements and grain, all the salesmen, the middle men and transporation companies are supported from profits arising from the agricultural

industry. Every one of these interests is organized thoroughly and obeys its organization. The farmer EAST OREGONIAN PUBLISHING chooses to stand alone. His is the only unorganized industry of any magnitude in the world and it is the most vital industry in the world. It is time organization was spreading among the farmers. It is time they met co-operation with co-operation, and union with union. They should

#### HEARST GAINING GROUND.

study the Grange.

The Hearst boom is spreading like waves from a pebble dropped into a still pool. It has caused people who had

looked upon Hearst as a sort of montrosity, to investigate the true char acter and motives of the man.

It has caused thinking citizens to cast up his qualifications and his policies, and the result is that he is growing in favor.

In the first place, a million-dollar fortune did not make a fool nor s

When he was a boy he sowed wild oats and refused to be confined in schools, where often the education received, narrows, instead of broad ening a man. Instead of investing in automobiles and yachts, for his own personal pleasure, he invested · his fortune in newspapers and created thousands of the highest salaried po sitions in the world of journalism He made his business stepping stones for others.

He made opportunities for thousands of ambitious, able, intelligen young men and women to fill active positions in the world.

While he is making a profit out of his immense newspaper plants, he is also inciting vigorous young men and women to higher thought and activity, by paying the highest price over paid in the world for brain work. His policy is to get the best for his readers, no matter what the

His vigorous policy is to place cor respondents in the field first, cover manded by the public.

Cafes and lunch-rooms are filled with men and women who seem to give all their time much," says Dr. Pierce, chief consulting physician to the Invalids' Hotel and Sur-gical Institute, of Buffalo, N. Y. In this there isn't sufficient blood left to properly take care of the other organs of the body. The stomach must be assisted in its hard work—the liver started into action—by the use of a good stomach tonic, which should be entirely of vegetable ingredients and without alcohol. After years of experience in an active practice. Dr. Pierce discovered a remedy that suited these conditions in a blood-maker and tissue builder. He called it Dr. Pierce's Golden Medical Discovery —an alterative extract that assists in the digestion and assimilation of the food in the stomach—so that the blood gets what it needs for food and oxidation, the liver is at the same time started into activity

at the same time started into activity and there is perfect elimination of waste matter. When the blood is pure and rich, all the organs work without effort, and the body is like a perfect machine.
