

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these important organs.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The kidneys are the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest scientific test, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles.

By mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

FOR LOCAL OPTION

LETTERS FROM TYLER, TEXAS. SHOW GOOD RESULTS.

Prominent Citizens Say Business is Good, Residences and Stores All Occupied, Drink Habit Reduced, and No Respectable Business Injured—County and Town Are Both Prosperous.

The local option people feel highly elated to know that one statement made in the Saloon League pamphlet concerning Tyler, Texas, is untrue in whole, as the following communication will prove.

Rev. J. W. Jenkins of Athens, wrote to the editor of the Tyler Daily Courier, asking him as to the result of local option in that town as follows:

D. R. Pickens, Athens, Ore., May 19, Tyler, Texas.

Dear Sir: There lies before me a pamphlet, entitled: "How Local Option Ruined Texas Towns," in which John Hurst is quoted as saying: "Tyler has the dry rot," "business is poorer by large odds than other towns of the same size," etc. "It has not improved the morals, habits, religion or prosperity of the mass of the people."

How is this? Does local option ruin Texas towns? Please give me your opinion of the local option law in this town.

(1) Is it enforced, or can it be enforced?

(2) Does it ruin the respectable business of the town?

(3) What effect does it have on the revenue of the town?

Respectfully,

J. W. JENKINS.

The answer, signed by 20 prominent business men of Tyler, is as follows:

"In answer to question No. 1.—Our impression of local option in Texas is highly favorable.

"Question 2.—Local option does away with the open saloon, lessens the social drink habit, lessens materially the amount of strong drink used, and is enforced if the officers are favorable to the law.

"Question 3.—It benefits the respectable business of the town in every way.

"Question 4.—Revenue is reduced in a small way, because we had a high license, but this is more than offset in lessened court and jail expense accounts.

"Tyler has had the local option for 17 months and is fairly well enforced. It is largely agreed that it has, and is benefiting our city and county; population is increasing and business is good. All business houses are occupied and we know of no vacant residences.

"The city and county are admitted to prosper. Population of Tyler and the county, outside of the city, 10,000. Signed:

"L. M. Green, H. C. White, George F. Taylor, merchant; George R. Phillips, merchant; B. Butler, lawyer; John H. Adams, hardware; Harting Drug Company; Dean & Rinn, grocers; Welder Grocery Company; F. J. Bell, M. D.; C. G. Whelan, lawyer; George A. Cross, lawyer; J. L. Henderson, superintendent of schools; John H. Bonner, mayor; Charles W. Boen, merchant.

The local option people feel that one misstatement of this kind used against the cause weakens the entire cause, and every citizen who is opposed to coming with the sanction and backing of such men as these.

DOES LOCAL OPTION HURT? Press Committee of Temperance Cause Issues Counter Statement.

The local option press committee has prepared the following answer to the liquor dealer's charges which appeared in Monday's East Oregonian: Will Local Option Increase Taxes and Hurt Business?

These questions can be answered only by figures and facts where prohibitive has prevailed for many years. As the liquor dealers are determined to attempt to confuse the minds of the people as to the real issue, thereby showing the weakness of their side, we are compelled to meet them on their own ground.

We insist again that the issue now pending is not prohibition, but local option, and every intelligent person knows that they are not synonymous. Surely the Liquor Dealers' Association have but little faith in their business when they are so frightened to submit the question to the people.

But we are not afraid to compare dry or wet cities, or those with and without saloons, nor the grave ones of Ohio, in 200 towns where saloons have been banished, in not one has the tax rate increased or business demoralized.

In Cambridge, Mass., with a population of 90,000, which has been without a saloon for 15 years, the tax rate is 18 1/2 cents per dollar. Dayton, O., population 85,000, with large supply of saloons and breweries has a tax rate of 25 1/2 mills. Somerville, Mass., population 62,000, no saloons, tax rate 14 1/2. Akron, O., population 45,000, abundant supply of saloons, tax rate 28 1/2 mills.

Many other such comparisons may be made. The tax question from the liquor standpoint, is simply a bluff.

Barnesville, O., is a town of 4,000 people, has no saloons, electric lights, good schools and is supported by a farming community. G. E. Hunt, a leading merchant, says: "I can say from the liquor standpoint, that business has increased ever since we voted the saloon out." Another business man says: "Our business is 15 per cent better than when we had saloons."

For sale by all dealers. Price 50 cents and the most positive proof given that they can be cured. Read what a Pendleton citizen says:

Mrs. C. C. Hendricks, wife of C. C. Hendricks, insurance agent, living at 408 West Court street, says: "When I first heard of Doan's Kidney Pills I had been suffering for over a year with pains in my joints and back and with a weakness of the kidneys, and I therefore decided at once to try the pills. I got a box at the Brock & McCombs Co. drug store. Now, I don't want to say that they have entirely cured me, for the trouble may return sometime in the future, but they entirely relieved the backache and up to this time I have had no return of the trouble. Only the other day I told a lady friend, who is suffering from kidney trouble, to try them and she has recommended them to others. I shall continue to do so."

FOR COUNTY RECORDER.

W. H. Fowler Finds His Prospects Very Bright.

W. H. Fowler, the popular democratic candidate for county recorder, has just returned from a trip to the northern and eastern portions of the county and feels more confident than ever of success. He has made many friends by his able services, affable disposition as deputy in the offices

of county clerk, recorder and sheriff. Nearly every taxpayer in the county has met and dealt with Harry Fowler, during his long service in these offices, and he needs no introduction to the voters in the county. Mr. Fowler is an old-time conductor on the H. & E. running between Portland and Pendleton for some time, and his railroad friends have not forgotten his jovial and accommodating ways.

Because of his wide experience in all the county offices, Mr. Fowler is peculiarly fitted for the office of recorder, and will discharge the duties of the place with credit to Umatilla county.

W. S. Goodman, of Hudson Bay, and one of the largest stock farmers in the Eastern part of the state, was a guest at the Hotel St. George today for a short time on business.

I handled the celebrated Holt combined harvester, and have any number of them on hand, ranging from an eight-foot to 36-foot cut. Either for horse power or engine power. E. L. Smith, 311 Court St.

I have the machine that pleases the farmers. Time and trial have proven the worth of the Holt combined harvester, and it has been demonstrated to be the most successful of any made. E. L. Smith, 311 Court street.

Mr. and Mrs. J. M. McCullough of Echo, were the guests of friends here yesterday, having come to meet their daughter, Miss McCullough, who has been in Pasco visiting for some time, and who is now returning to her home at Echo.

I have sold a great many Holt combined harvesters in this and surrounding counties, and the fact that I have never had a dissatisfied buyer or trouble with any customer, proves that the Holt is the machine to buy and that it is a fully paid up investment. E. L. Smith, 311 Court street.

Strayed—From my place six miles northwest of Freewater on April 23, a 7-year-old bay mare; star in forehead, branded P on left shoulder; clipped ears, weighing about 1150 pounds; wet halter, white cut on left forefoot. \$10 reward will be paid for her return to Kyle McDonald, Freewater, Oregon.

You know about Jersey cattle? We offer a few more of our yearling bulls from our famous Hazel Fern herd, at specially reduced prices, to make room for next crop of yearlings. We will give you valuable pointers on Jersey stock. Better visit us today for prices on bulls, and tell us the kind of animal you desire. Address: R. E. E. McDowder, Super. Laid's Farm, 1200 Milwaukee Ave., Portland, Oregon.

STOCK SHIPMENTS ACTIVE. Observations by Dr. Hutchinson, of the Animal Bureau. Dr. E. N. Hutchinson, of the bureau of animal industry, is in town for a visit of a few days on business connected with the department.

In his travels, Dr. Hutchinson has noticed that in spite of the fact that the prices quoted on stock and sheep especially are so low, the movement towards the east is brisk. Last week 10 trainloads of mutton sheep went out of Oregon and Washington for the eastern market, and there are four more trains scheduled for the week to come.

Stray Notice. Came to my place in Alkali canyon, on Frank Roumagosa's place, about the 15th of October, 1903, one red two-year-old steer, branded circle L on left hip. Member of about 1900. If anyone has same by calling at my place and paying all charges. VICTOR ROUMAGOSA, Ruyigau, Oregon.

Horse Taken Up. I have taken up at my place, 16 miles north of here, a dark bay horse, branded with Indian brand on left hip. Owner can have same by calling on me, proving property and paying charges. Dr. W. R. Campbell.

For Sale. Steam threshing outfit, 32-inch separator, 20-horsepower, and all the gear. Everything complete. Inquire of Sam P. Purdy, Astoria, Oregon.

SHE SWALLOWED RAW CHLOROFORM

CONSUMED TWO OUNCES OF THE DEADLY OPIATE.

The End of Her First Spree, Which Was the Miserable Ending of a Quarrel With Her Paramour, a Traveling Doctor—The Latter Has Disappeared—A Corps of Physicians Think it is Barely Possible That the Victim's Life May Be Saved.

Ida Raymond, a young woman who has been living at the Palace Rooming house on Main street for the past almost as long as she can remember, committed suicide this morning at about noon by drinking the contents of a two-ounce bottle of chloroform.

She was caught in the act by J. H. Williams, proprietor of the house, who knocked the bottle from her hands, but not until she had swallowed the greater part of the fluid it contained.

A couple of doctors were immediately summoned, and when they arrived found the woman singing and dancing in the middle of the room.

Almost as soon as they had reached the room, however, she was taken sick and quickly passed into unconsciousness, from which it has so far been impossible to wake her.

Among those who attended from the city were Mrs. F. H. Henderson, Mr. and Mrs. Leon Cohen, Mr. and Mrs. Robinson, Miss Stella Alexander, Ethel Johnson, Rose Fletcher, Lorraine White, Mrs. Jean Prayler, Jeanette Heathman, Crawford and Parks; Messrs. A. C. Funk, G. Ferguson, Albert Cohen, E. P. Dodd and Harry Thompson.

DIED OF CONSUMPTION. Harley James Breathes His Last Near Pilot Rock.

Harley C. James, a young man well known in this place, died at 2 o'clock at the home of A. B. James, on Birch creek, near Pilot Rock, after a long illness with consumption.

The deceased was about 20 years of age, and was formerly connected with the Pendleton Tribune. About two years ago he went to San Diego, Cal., where he remained on account of his health until about a month ago, when he returned. He has been living with a brother here since that time, but yesterday morning he decided to go out in the country with another brother. He made the trip well and seemed to be in as good health as usual until late in the night, when he was taken suddenly sick and died in a short time, the direct cause of his death being heart failure.

By the deceased leaves a wife and two children, Theodore and Dorothy, aged 4 and 3 years respectively. The children are now at the home of H. D. James, 111 Garfield street.

The funeral will be held from the undertaking parlors of M. A. Rader tomorrow afternoon at 3 o'clock. Rev. Jonathan Edwards of the Congregational church, conducting the services.

TOOK THE POISON AT 11 A. M. About 11 o'clock, going to her room, she saw the woman in the act of swallowing the contents of a small bottle, and rushed to her, snatched it away, but too late.

Dr. Shattuck, the man at the foot of the trouble, came to Pendleton from New Yakima, and has traveled over the entire Northwest, the woman accompanying him during the larger part of the time. She is presumed to be from Portland, though nothing is known of either of them, as they were not in the habit of talking about themselves.

BRIGGSON NEWS. Wheat and Roads Are in Good Condition. Briggsong, May 29. A. J. Boddy moved onto his ranch last week, but returned to Astoria to again take charge of his butcher shop. Mr. Boddy is a disinterested party, and the summer, but as the parties did not suit, he was forced to move back to town.

Mr. and Mrs. Frank Taylor of Stiles, Idaho, are visiting in this place. They were here for a short time. Mr. Taylor was a former resident of this place, but leased his ranch here and during the honey making season, Echo is especially adapted to producing a large crop of honey.

MILLS SOLD. Athena Institution Will Be Remodeled and Enlarged.

The mill property of the defunct Athena Flouring Mill Company, some time ago purchased by the Oregon & Washington Milling Company, of Watsburg, Wash., for a consideration not stated, has been sold to the Preston-Parton Milling Company, of Watsburg, Wash. The purchase of the property by the Preston-Parton company means a great deal to the milling industry of this county, and to Athena in particular. It is the property of the company to commence work on the mill at once. It will be enlarged and its capacity will be greatly increased. The power will be electric and will be furnished by the Oregon & Washington Power Company. The new company has ample capital and it is understood that the mill will be operated continuously.

ASSESSMENT SATISFACTORY. A. W. Nye Finds No Complaints From Taxpayers in Pendleton.

A. W. Nye, deputy assessor of Pendleton and outlying precincts, is progressing very rapidly with the assessment and finds no complaints whatever from taxpayers on the valuations of property.

The assessment is being made on the basis fixed last year and there is perfect satisfaction throughout the county on the valuations, and in fact, many people take especial interest in still higher valuations of railroad property and what land in some sections of the county.

NEW ECHO BUILDING. Mrs. E. Ripper Will Have Store Building Completed July 1.

Mrs. E. Ripper began the erection of her store building yesterday on Main street. The building will be 24 x 60 and finished in good shape. It is expected to be completed so that it can be occupied by the first of July and will be used as a millinery and ladies' furnishing store.—Echo News.

TO THE WOMEN OF THE UNITED STATES.

Successful Home Treatment.

Dr. Hartman's Cure for Female Diseases—A Generous Offer to Women.

Invalid Women are Applying by Thousands for Dr. Hartman's Free Home Treatment by Letter.

MRS. J. P. COADY, Treasurer of the Ivy Leaf Club, 1202 6th Avenue, Council Bluffs, Iowa, writes:

"I have used it off and on for three years. At that time I was cured of irregular and painful menstruation. Since that time I have taken it for indigestion or whenever I felt overworked and in need of a tonic, and I have found that it was of great benefit to me. I am therefore pleased and happy to say in its praise and shall gladly endorse it to my friends."

Mrs. Hattie Grace, 24 West 4th St., New York, writes:

"Peruna has changed me from a fretful, irritable, nervous woman into a cheerful, contented one. Nothing seems to worry and to fret me any more. Since early womanhood I suffered with bearing down pains and nervousness. I was thin and worried, but Peruna restored me. Those who knew me before cannot understand the change. But I am sure that it is the blessed work, Peruna."—Hattie Grace.

Mrs. Elizabeth Ferguson, No. 151 1/2 St. Brooklyn, N. Y., President West Brooklyn Audubon Society, writes:

"I am pleased to tell what a blessing Peruna has been to me. Several years ago my constitution seemed broken down and I could neither live or die. I had taken so much medicine that the sight of a bottle made me sick. I had read about Peruna curing women, and I thought perhaps it would help me. I bought a bottle and before it was finished I felt better. I kept on taking it, and after three months I was cured. I was a well woman and able to do the work and undergo the strain of younger days."—Elizabeth Ferguson.

In view of the great multitude of women suffering from some form of female disease and yet unable to
