beautiful and pure. The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for

the coming event that it is safely passed without any danger. This great and wonderful

day, by a strong outgoing tide, and south rim of the canon, extending boils at about 180 degrees Fahrenheit, and, consequently, the ordinary appliedexternally, and Manthapple C

Shoe Repairing

I have moved my shop to the second loor east of the Sa ings Bank. Repairing of all kinds done in a work-

manlike manner at reasonabl rates. As I have been in business here 17 years. I need not speak of the qualty of my work for it speaks for itself. My stock of shoes was somewhat damaged by water and the insurance company told me to sell them for what I could get, so I will sell them or less than wholesale pri
