A Solemn Duly.

A solemn duty which we owe society, our children and ourselves is that nothing which can be done to assist nature at that time when our wives are to become mothers should be left undone. Of all the countless details to be observed at such a time, no single one is of more importance than the bodily welfare of the expectant mother; she must not experience undue suffering

hrough any lack of effort on our part. MOTHER'S FRIEND

should be the recourse of all real men and women at such times; it easily obtainable, and it is a positive crime not to procure it. Its offices are to relax the muscles and tissues intimately associated in this greatest of the Creator's phenomena, and by simple external applications a result obtained which at the appointed time permits the mother to undergo he greatest joy with fortitude, and bring into the world a child worthy of its parents. \$1.00, all druggists.
