No Change in Situation.

St. Petersburg, Oct. 6.-Genera Sakharoff reports today that Tuesday passed with no change in the situation.—Skirmishes occurred at Hunlipu between our outposts and fou companies of Japanese infantry. One squadron of cavalry reinforcements and outflanking movement was or dered, compelling the Japanese to retire to Tadusampo with considerable less. In the evening a detachment of Cossacks approached within four NEW JETTY HAS MADE verstes of the Yentai mines and met four squadrons of Japanese with three companies of infantry. Th Japanese retired. Our force recon noitered the Japanese position and returned, having lost one killed and three wounded. Two Japanese were taken prisoners.

Attempt to Run Blockade Failed. Tokio, Oct. 6 .- The Japanese fleet. off Port Arthur today, captuared a junk laden with provisions which was trying to enter the harbor. Stateto run the blockade from the vicinity of Tsingtan. The junks were to enter at night, the Russian guns and mines at night and night at n vessels of the blockading fleet.

Will Winter at Mukden.

St. Petersburg, Oct. 6 .- A telegran from Mukden asserts that Kuropatkin has ordered his troops to prepare for winter quarters at Mukden. This indicates that Kuropatkin thinks the danger of a successful attack on the city by the Japanese is remote.

Torpedo Boats Damaged.

Japanese torpedo boats were damaged off Chee Foo during the storm yesterday evening.

arrangements for them to pick in the Wier field with the Chemawa stu-It is made as pleasant for them as possible during their stay at Chem awa. The men work in the hop fields during the day, while the women remain in camp and weave baskets. The baskets made by this tribe are the

best and most sought for of any on On Friday evening a party of the men and women, wrapped in their most gorgeous blankets, attended the regular weekly social and stayed un-So far Portland is assured of 13 til the very last, evidently enjoying

A WHEAT KING.

Began His Career.

Jacob Hoffman, second wheat king eeting in Portland during the year of "Eureka Flats," has just sold to Portland buyers 30,000 bushels of wheat from this fall's harvest, at 75 cents a bushel, reserving about 25 per cent of his crop for feed and ion. United Commercial Travelers of other purposes. This wheat was rais-Oregon and Washington, Order of ed on land that 15 years ago was regarded as arid and worthless, and nost of it was bought from the O. R &. N. Co. for \$2.50 per acre. Today it produces an average of 30 bushels bluestem wheat to the acre, and cushel, the cost of raising the grain being 23 cents a bushel.

> Twelve years ago "Jake" Hoffman was a young German harvest hand. working in the field for W. H. Babcock of Walla Walla. He began by state of fertility.-Pacific Northwest.
