THERE IS HOPE IN UNITY.

Samuel Moffett, in Colliers' Weekly, outlines a vital policy for the reunion of the liberal forces in Ameriwhich it seems possible for democracy to triumph in the future.

Union of forces is the remedy he proposes, and in the following brief or day? With equal zeal and mulreview, he writes a democratic plat-

form sufficient for a campaign: The question of "loyalty" has no cide instantly that all times are proper place in party relations, he picious times for the beginning of says. A party is a voluntary associa- crusade against immorality, law tion of citizens who think that certain breaking and social evils. The forces policies are best for the country. A of evil never sleep. Should the mora citizen who does not believe these element in the community ever be off with the party. A party that depends ask if the hour is propitious? It is on discipline instead of on conviction a fact, though lamented, that the to keep its members in line is in a rapid spread of wrong is made while bad way. What the democracy needs the forces of right are hesitating. is a body of genuine principles, in wondering, debating. Wrong never which it can make an intelligent ap- for work. The same watchful, sleep-

In boldly taking the liberal plunge, offset it, and gain ground upon it. the democrats would have this fact to reassure them: The liberal party of a conservative party to maintain are necessarily few in comparison

The republicans have been a minority party in this country ever since enterprise and spirit of the people of the close of the civil war period. the West, and the women of "Old They were a minority party in 1896, ary issue. They are a minority party this task undertaken by them! Sactoday, and Theodore Roosevelt, not- ajawea, the woman who delivered ceived the votes of hundreds of thousands of citizens who have no sympa thy with his political associations, is a minority president.

The democrats, populists, and so cialists, all anti-republican elements, could have beaten him easily if their forces had not been divided.

What the democracy needs is to find some way of combining most of the citizens who are traveling in the same direction and to cut loose from those who want to travel somewhere

Democrats, populists and socialists ment ought not to be used to enrich a few at the expense of the many. The populists would go a great deal

further, and the socialists further still, but there is no reason why they should not ride on the dem ocratic car as far as it runs. But if they should find the car off the track and bumping toward the republican no advantage in boarding it.

There is no nope of purifying the resuft in Idaho is to be taken as a standard. In that state the lines on polygamy were distinctly drawn-the has been felt and believed by a majority of people that polygamy was particularly repulsive to the Gentlie women and that if the issue came up they would be unanimous in their opposition to it: Instead of doing this, the republican Gentile women of Idaho swallowed Mormonism, polyg- The same American coal oil that amy and church domination rather sells for 33 cents a gallon on the Pa- Kentucky to determine who is conthan exhibit enough independence in cific Coast, can be bought for 17 cents gressman from the third and ninth politics to oppose their party bosses. per gallon in Berlin, Germany. The While they throw up their hands in oil sold at these respective prices is New York, has been tendered the horror at the thought of polygamy refined by the same company, at the position of attorney general in Roosspreading to their homes, yet they same mills, is the same grade of oil, evelt's cabinet after March 4, 1905. embraced the polygamous platform That sold in Germany is shipped 7000 rather than cast a ballot for the op- miles, and sold to the German consu- campaign for governor of Massachuposition party, although that party mer at 99 per cent less than the ocrat.
