DR. VAN DEN BERGH'S Sovereign Worm Syrup.

THIS TRULY WONDERFUL MEDICINE is warranted to expel all worms from the bowels and Stomach, except Tape and Chair Worms. Rowels and Stomach, except Tape and Chain Worms.

The proprietor has taken much pains to test the comparative merits of the principal Worm Medicines of the day, which, numerous as the Entoroa themselves, have overspread the land, calc claiming for itself the name of specific; and, while we frankly acknowledge that many of them are often snecessful, and do great good, were we not assured that this combines advantages possessed by no other worm medicine, its introducion at this take day would not have been attempted.

The pleasant taste and exceedingly small quantity of this medicine required to test the existence of worms, or to remove every one from the system—its operating in a few hours, unaided by any other purgs, together with its certainty of effect, constitute it one of the most brilliam discoveries of the age.

Had we space here, scores of certificates might be addinced to show its progressive and rapidly increasing reputation for the last few years; but to promulgate its fame and establish its character, we only ask for a trial.

Its speedy operation in all sudden attacks, as convuisions, colle, fits or spassus, gives it an anrivaled superiority. Sent by express on receipt of price.

SYMTOMS OF WORMS.

Its value in removing masses of crudities from the stomach and bowels of children, even where no worms exist, cannot be too legilly estimated.

UNK WEED REMEDY.

THE UNK WEED REMEDY

Oregon Rheumatic Cure.

HISTORY:

THIS REMEDY IS COMPOSED OF THE Active principle of the Unk Weed, Eng.—Thaspinm Cordatum Originis, Lat.—Indigenous to Oregon. Grows most abundantly and perfectly in Washington county.

PROPERTIES, ETC .:

MEDICAL PROPERTIES AND USES: It is the most sure and speedy cure for Rheumatism, Rheumatic Gout and Rheumatic Rheumatian, Rheumatic Golf and Rheumatic Pains of all kinds that was ever introduced into the Materia Medica. The UNK WEED REM-EDY, as prepared by us, in consequence of the existing bitter principle, possesses the neces-sary virtue of being a

Powerful Tonie,

Promoting the Appetite and Invigorating the whole Digestive Appuratus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatle Poison, removing it from the circulation and system.

There are few remedies known to the Medical Profession which will remove the Rheumatle Poison from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rheumanie patient, that their use has to be abandoned before specific effects are obtainable, and hence the want of success in treating this prevalent and consequently heretofore incurable disease. Unlike these medicines, already known, the UNK WEED REMEDY, although producing as active and as powerful effects on the blood and system in removing the Rheumatic Foison, also possesses in strong Tonie and Recuncerating Sciences which powerful effects on the blood and system in removing the Rheumatic Poison, also possesses strong Tonic and Recuperating Siement which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these two necessary elements in one remedy, which ascounts for its superior and never-failing cunstive effects in Rheumatism, Rheumatic Gool and Rheumatic Pains of all kinds.

N. R. The UNK WEED REMEDY is particularly APPLICABLE TO LADIES, in consequence of its Tonic Qualities.

TESTIMONIALS:

We are aware of the fact that it is generally an easy matter to procure certificates attesting the efficacy of patent remedies from a certain class of those who use them. We have selected the following because the names attached to them are those of men of the most carried and scrupnious character, and because the large class of their acquaratances in Oregon will not for a moment, acruse or suspect them of any exaggeration in the statements they may make:

Certificate from the Deputy Jailor of Mult-nomah County Jail:

City Jail, Portland, Oregon, June 7, 1871.
Dr. A. M. Loryea & Co.: I was attacked with a severe case of rheumatism. It was in my thighs, hips, fingers, shoulder blade—Indeed in all the joints of my body I suffired great pain and anguish. I was attended by a regular physician, but with no effect. I was induced to try your Unk Weed Remedy, and it immediately carred me up. I consider it, from my experience, the best remedy for rheumatism known.
