The pleasant taste and exceedingly small quantity of this medicine required to test the existence of worms, or to remove every one from the system—its operating in a few hours, unaided by any other purge, together with its certainty of effect, constitute it one of the most brilliam discoveries of the age.

MEDICAL PROPERTIES AND USES: It is the most sure and speedy cure for Rheumatism, Rheumatic Gout and Rheumatic Pains of all kinds that was ever introduced into the Materia Medica. The UNK WEED REM-EDY, as prepared by us, in consequence of the existing bitter principle, possesses the neces-sary virtue of being a

Powerful Tonic.

Promoting the Appetite and Inverorating the whole Digestive Apparatus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, act specifically on the Rheumatic Poison, removing it from the circulation and system.

There are few remedies known to the Medical Profession which will remove the Rheumatic Poison from the blood, but whose action is so powerful in depressing the system of the already enfectbed Rheumanic patient, that their use has to be abandoned before specific effices are obtainable, and hence the want of success in treating this prevalent and consequently heretofore incurable disease. Unlike these medicines, already known, the UNK WEID REMEDY, although producing as active and as powerful effects on the blood and system in removing the Rheumatic Poison, also possesses a strong Tonic and Recuperating Element which admits of its continued use even by the most delicate and debilliated. Thus we have the combination for the first time of these two necessary elements in one remedy, which accounts for its superior and never-failing ctrustive effects in Rheumatism, Rheumatic Gout and Rheumatic Pains of all kinds.

N. R. The UNK WEED EEMEDY is particularly APPLICABLE TO LADIES, in consequence of its Tonic Qualities.
