Corvallis wants her charter mended. Real estate business in Salem is very dull. Eugene is to have a hook and ladder company. The tax in Clackamas county this year will be 14 mills.

There will be a match game of croquet at Salem on Saturday.

The lobby of both branches of the Legislature is well attended.

Nine compositors are employed in the State Printer's office, Salem.

Corvallis still continues to clamor loudly for the State University.

The frame-work of the roof of the Court House in Hillsboro is being put up.

About 25,000 bushels of wheat had been stored at Harrisburg up to last Saturday.

Most of the farmers of Clackamas are leaving their wheat chopped into feed for hogs.

A Corvallis paper says that what is coming in quite lively. No sales are reported.

Two men named Ryan and Morris were killed by the accidental bursting of a blast at Roseburg, Friday.

The taxable property in Benton county amounts to \$1,500,000. The tax levied for all purposes is fifteen mills.

The net total amount of taxable property of Lane county, as returned by the Assessor, for the year 1872 is \$2,087,518.

The annual meeting of the Presbytery of Oregon and Washington Territory met in this city on last Friday morning.

There are still some fields of wheat standing on French Prairie. In the foothill districts the harvest is about finished.

The Linn County Fair will commence Sept. 24th, and continue four days. Six thousand dollars will be given in premiums.

The valuation of property in Clackamas county is \$1,918,194. This is a decrease on last year's returns of over \$200,000.

The Portland Free Discussion Club have their weekly meetings every Sunday at 3 o'clock p. m. at No. 89 First St., up stairs.

Miner & Person, agents for the New Wilson Sewing Machines, among the best in the market, are doing a thriving business. Read their ad.

The Oregonian says the Oswego-Tualatin canal will be finished in twenty days. The company don't owe anything and they are not ashamed of it.

The City Fathers of Harrisburg lately levied a tax of five mills, and the town talked the matter over for two weeks. Then the conversation was changed.

Col. Chapman and Engineer Blair are going to start in a few days to make preliminary surveys of the line of the Portland, Dalles & Salt Lake Railroad.

There is some anxiety throughout the valley to learn whether the O. & C. Railroad will reduce rates of fare during the continuance of the State Agricultural Fair.

The County Commissioners of Marion have levied the following tax: State, five mills; military, half a mill; school, two mills; county, seventeen and one-half mills.

Fifty-five cents per bushel is what the liberal dealer offers the Linn county farmer for his wheat delivered at Albany. Ye liberal dealer is not a buyer at that figure.

Jacob Mayer, wholesale dry-goods dealer, has just received an immense stock of fall goods which he sells at San Francisco prices. Dealers will do well to examine his stock.

The meeting of the Spiritualists at Woodburn Station commenced yesterday, and will be continued until Sunday evening. It is expected that there will be a large attendance.

L. Ach is receiving a fresh stock of fall goods which are sold at low prices. Mrs. Ach is now in San Francisco engaged in buying and she fully understands the wants of her customers.

Linn county has now gone and discontinued Eastern Oregon in the potato business. The latter raises potatoes on the vines; Linn county grows 'em without the least sign of a vine. That's what the Register says, anyhow.

Notice is called to the advertisement of the Grover & Baker Sewing Machine. W. T. Shanahan, agent, has a large stock of these excellent machines on hand, which will be sold on installments of ten dollars per month. New ad. next week.

The warehouse to be erected on the Tualatin river, south of Hillsboro, is being pushed rapidly forward, and will soon be completed. A petition is in circulation to bridge the river at that point. A handsome subscription has already been obtained.

The Eugene Guard gets this off at the expense of Corvallis: "Corvallis has a new (to Corvallis) fire engine, a double-decker, built ages since. They wanted to operate it one day last week, and had to send to Linn county for men, there not being enough in Benton to do it."

G. W. Traver, the irrefragable Home Shuttle Sewing Machine agent, whose advertisement appears regularly in our columns, has lately received an immense stock of machines which he is prepared to sell at low rates. We can warrant these machines to be all that Mr. T. claims for them.

Last Saturday the Albany-Santiam Canal Co. elected the following directors: Martin Luper, Luther Elkins,

James H. Foster, Jason Wheeler, D. M. Thompson, J. P. Backensto and C. P. Burkhardt. Mr. Elkins was elected President, D. Mansfield, Secretary, John Conner, Treasurer.

J. M. Sutton, No. 14 Morrison St., announces to the public that he is prepared to do all kinds of plating and gilding—locks, bolts, gas fittings, stair rods, watch cases, spoons, castors, and table ware plated and gilded to order. Electroplating done on short notice. Prices reasonable, and work insured as represented.

A corporation called the Albany and Santiam Water Ditch Company, with a capital stock of \$30,000, all of which has been subscribed, has been organized at Albany. This makes the long-talked-of Santiam Ditch Company a fixed fact. A local paper says the completion of this ditch will be one of the most important epochs in the history of Albany, and will undoubtedly give that city an impetus that no other enterprise possibly could.

Oro Fino Theater opened last Saturday evening with Shakspeare's grand tragedy of Macbeth, with Mr. Waldron as Macbeth and Mrs. E. F. Stewart as Lady Macbeth. It is useless to comment upon Mr. Waldron's rendition of the character he assumed. Mrs. Stewart, as Lady Macbeth, rendered her part splendidly. The rest of the characters were also well sustained. The other pieces during this week were all brought out in good style. The troupe will go to Salem next week.

The Reporter says Sheridan, in Yamhill county, is not the dullest place out, and by the contrary it people are up and alive with the spirit of improvement, and have already made marks of commendable enterprise. There are two stores, three blacksmith and wagon shops, shoemaker shop, hotel, the indispensable doctor or two, and a lawyer. They have a good school house, and during the past season the citizens have created a neat and commodious church, which is certainly a great credit to them, and would be an ornament to some larger places.

From the Pantograph we learn that about two weeks ago Mr. Wm. Stearns, a German living on Kentucky Slough, in Coos county, left home with his wife to visit a neighbor, leaving his three little children at home. Leaving his wife at his neighbor's he immediately returned, and when in sight of his home he saw smoke issuing therefrom and hurried toward it. Upon his arrival he burst the door in and discovered the interior on fire. He sought for his children, but in vain, and only left the burning building when compelled to in order to save his own life. He was badly burned, and at last accounts was unable to see, although it is not thought that his eyesight is permanently injured. After the fire was burned out, the charred remains of the three little children were found. It is supposed that during his absence, which did not exceed twenty minutes, the children obtained matches from his pocket, and in playing with them set fire to the house, and becoming frightened were unable to escape from the burning building. It is truly a lamentable affair, and Mr. S. and wife have the heartfelt sympathy of the community in which they live.

During his short stay in Paris the Prince of Wales took occasion to pay a visit to Mrs. Johnson, of Baltimore, formerly Miss Harriet Lane, who was staying for some weeks at the Hotel Walsingham in that city. The compliment was not only consistent with a truly royal courtesy, but was merited by the recipient, whose claim upon the recognition of the representative of the British Throne was well established during the years that she presided over the White House, and at Washington, and at the residence of the American Minister in London. As niece of the bachelor President she did the honors of the White House with a delicate courtesy and a gentle dignity that gained the respect as well as the admiration of state visitors from abroad, equally with that of the people. It was a true Republican Court that Miss Lane established, over which she ruled without pretensions display or foolish extravagance, but with an elegant grace that gave an easy sociability. It was also who welcomed and entertained the Prince of Wales on his visit to America, and we can easily believe that the return call of the Prince in Paris was prompted as much by inclination as by royal courtesy.

NICASIO WATER-CURE is situated in California—the healthiest State in the Union; in Marin county—the healthiest in the State; and in Nicasio Valley—a place combining all the advantages of climate and beauty of location. It is reached in a few hours from San Francisco, via either San Rafael or Petaluma, and patients can, by special arrangement, have their carriages, with beds, at very low rates, by application at Bay View Stables, San Rafael, or to the Livestock stable at Union, Washington Street, Petaluma, opposite Booklyn Hotel.

Nicasio Water-Cure has facilities for successfully treating the sick unattended by any cure, East or West. The physicians are skillful, and they have had long experience in the Hygienic treatment of chronic diseases. They employ in addition to the common Hygienic treatment, electricity in baths and other devices, and inhalations of oxygen, which prove very valuable in many cases of lung and throat diseases. They also pay particular attention to all diseases peculiar to women. They are well known as editors, for the last three years, of the "Pacific Journal of Health," a periodical which has high rank as one of the best popular health papers in the world.

We therefore feel confident that in no place in the world can the sick receive, for the time and money expended, more substantial benefit than in the Nicasio Water-Cure. DR. W. J. YOUNG, Manager.

MISCELLANEOUS

DR. VAN DEN BERGH'S Sovereign Worm Syrup. THIS TRULY WONDERFUL MEDICINE is warranted to expel all worms from the Brevis and Stomach, except Tape and Chain Worms.

The proprietor has taken much pains to test the comparative merits of the principal Worm Medicines of the day, which, unfortunately as the Eastern themselves have, overlooking the land, each claiming for itself the name of specific, and while we frankly acknowledge that many of them are often successful, and do great good, were we not assured that this combines advantages possessed by no other worm medicine, its introduction at this late day would not have been attempted.

The pleasant taste and exceedingly small quantity of this medicine required to test the existence of worms, or to remove every one from the system—it operating in a few hours, unattended by any other purgative, together with its certainty of effect, constitute it one of the most brilliant discoveries of the age.

Had we space here, scores of certificates might be adduced to show its progressive and rapidly increasing reputation for the last few years; but to promulgate its fame and establish its character, we only ask for a trial. Its speedy operation in all malignant attacks, as convulsions, colic, fits or spasms, gives it an unrivaled superiority. Sent by express on receipt of price.

SYMPTOMS OF WORMS. Alternate waking and flushing of the countenance, dull expression of the eyes, distressing itching of the nose, a swollen upper lip, tongue whitely furred, and thickly speckled with red points, foetid breath, an enlarged belly, a partial or general swelling or puffiness of the skin, a stirring in the sleep and grinding of the teeth, a sensation as if a worm were lodged in the throat, a gradual wasting of the flesh, sickness of the stomach, vomiting, a loss of appetite, a general debility, or sometimes colic, at other times fever, hiccups, sometimes convulsions, or other nervous losses, and in children, worms, colic, fits, convulsions and palsy.

Its value in removing masses of crabs from the stomach and bowels of children, even where no worms exist, cannot be too highly estimated. Prepared and sold wholesale and retail, by DR. VAN DEN BERGH and Agents in all cities and towns. Dr. Van Den Bergh can be consulted on all diseases that the human system is heir to. His long experience in diseases of women and children cannot be surpassed by any physician in the United States or Europe. Dr. V. advises ladies troubled with any irregularities of the uterus to try his new remedies and get cured. By consulting and undergoing a simple examination the afflicted can learn if their disease is venereal or not. At all times Dr. Van Den Bergh can tell them from what disease they are suffering, and examinations free of charge. Office Hours—10 and 11, over Postoffice, Salem, Oregon. Letters describing the symptoms will be promptly answered, and persons living at a distance will be saved the expense and trouble of calling on the Doctor. DR. J. VAN DEN BERGH, P. O. Box 174, Salem, Oregon.
