evening of the 3d inst., has been postponed until the 18th. the County Commissioners granted a 2-42-13w

license to retail spirits in that precinct. The city election of Jacksonville took place last Tuesday, resulting in the election of M. S. Hayden for Recorder; OUT OF THE FIRE! Jocob Roudabush, Marshal, and the reelection of all the old Board of Trustees

The following business was transacted at the Land Office at Oregon City during the month of February: 37 Dona tion Certificates, 12,244.42 acres; 16 Homestead Entries, 1,512.03 acres; 6 Final Homesteads, 975,33 acres; 5 Cash Is HAPPY TO INFORM HIS NUMEROUS Friends, Patrons, and the public in general. Entries, 94.45 acres; 3 Pre-emptions filed, that he has 375.97 acres. Total, 15,202.19. Patents received on Donation Certificates to No. 3,062.

From the Oregon City Enterprise: The contractors for rebuilding the factory are busily at work on the building, and the structure will soon present its former beauty. We learn that it is the expectation of the company to have the factory in operation by the first of August. In order to do this it will require a large force of mechanics. The upper end of town presents a lively and business appearance.

This from the Corvallis Gazette: Police matters opened out pretty lively last Monday. We heard of two or three fights and several drunks. The City Treasury was 'replenished by cash and "notes." Innocent children and helpless women are robbed by drunken fathers and degraded husbands to pay fines and support the liquor-sellers in ease and luxury, and yet we are blandly told "liquor never hurts anybody that lets it alone."

At Lafayette, the other day, Mrs. John Myers threw an old shawl over her head and shoulders, left her husband holding the baby, went to a saloon, got a bottle of brandy, and started NEWSPAPERS AND MAGAZINES on foot for Polk county. The local paper heads its account of the incident as the "Strange Conduct of a Woman," Whereupon the Bulletin very pertinently asks, "What more strange of a woman than if the conduct had been that of a man ?"

The entertainment given by Baker Post, No. 1, G. A. R., at the Skating Bink, on Tuesday evening, was one of the most successful, musically, socially and financially, ever given in this city. The Rink was grotesquely decorated with the National colors, hung in every conceivable shape from the gas jets, the wics. ceiling and the walls. Notwithstanding the inclemency of the evening, there was a very large attendance, and after the concert the many who chose to remain tripped the heavy heel to dulcet music till the wee small hours of the morning. The proceeds of the entertainment are to be used to defray the expenses of Decoration Day.

Noble Act.—The attention of the lady managers of that excellent institution, the "Home," was called to a case of suffering and poverty by letter. Mrs. Congle and Mrs. Almsworth, ever prompt to respond to these appeals for aid and charity, proceeded Monday to the place designated in the letter, some distance beyond the toll-gate on the distance beyond the toll-gate on the macadamized road, and found a woman with several small children in destitute circumstances. The sufferers were made comfortable an i will be cared for by the ladies of the "Home" until work can be procured for the mother.

MISCELLANEOUS.

DR. VAN DEN BERGH'S Sovereign Worm Syrup.

THIS TRULY WONDERFUL MEDICINE s warranted to expet all worms from the els and Stomach, except Tape and Chain Worms.

The proprietor has taken much pains to test the comparative merits of the principal Worm Medicines of the day, which, numerous as the Entozoa themselves, have overspread the land, each claiming for itself the name of specific; and, while we frankly acknowledge that many of them are often successful, and do great good, were we not assured that this combines advantages possessed by no other worm medicine, its latroduction at this late day would not have been attempted.

The pleasant inste and exceedingly small quantity of this medicine required to test the existence of worms, or to remove every one from the system—its operating in a few hours, unaded by any other purge, together with its certainty of effect, constitute it one of the most brilliant discoveries of the age.

Had we space here, scores of certificates might be addituced to show its progressive and rapidly increasing reputation for the last few years; but to promulgate its fame and establish its character, we only ask for a trial.

Its specify operation in all sudden attacks, as convalsions, coile, fits or spasms, gives it an unrivaled superiority. Sent by express on receipt of price. The proprietor has taken much pains to test

eipt of price. Alternate paling and flushing of the countenance, duff expression of the eyes, drowniness, itching of the nose, a swelled upper-liptongue whitely furred and thickly speckled with red points, foted breath, an eniarist belly a partial or general swelling or puffingness of the skin, a starting in the sleep and granding of the teeth, a sensation as if something was lodged in the throat, a gradual wasfing of the flesh, sickness of the stomach, comiting, a short and dry wough, appetite sometimes worselous, at other times feeble, bowels sometimes costive, at other times loose, great fretluiness and irritability of temper, pains in the stomach and bowels, colic, fits, convulsions and palsy. Its value in removing masses of erudities from the stomach and bowels colic, fits, convolicions and palsy. SYMPTOMS OF WORMS. where no worms exist, cannot be too highly cs-

Prepared and sold, wholesaje and retail, by DR. VAN DEN BERGH and Agents in all cirbes and towns.

Dr. Van Den Bergh can be consulted on all diseases that the human system is heir to. His long experience in diseases of women and children cannot be surpassed by any physician in the United States or Europe. Dr. V. advises ladies troubled with any irregularities of the Uterus to try his new remedies and got cured. eured.

By consulting and undergoing a simple examination the afflicted can learn if their disease be worms or not. At all events, Dr. Van Den Bergh can tell them from what disease they are suffering.
