HOME NEWS.

Grand "Rip Van Winkle" Matinee on Saturday afternoon at Ankeney's Theater.

On Saturday evening, a son of Mr. Mat Keith was seriously injured by a fall from a swing.

Jos. Buchtel, who has for several weeks past been confined to his room by illness, is now rapidly convalescing.

Fred Cole, who accidentally shot himself nearly two weeks since, is slowly improving, and it is thought he will recover.

For the very best photographs, call upon the new firm of Shuster & Dennis, southwest corner of First and Yamhill streets.

A piano brought to Astoria in 1848 by Gen. Adair, first Collector of Customs for the Territory of Oregon, may be seen at Gray's music store in this city.

The entertainment given by the ladies of Hall street chapel on last Friday evening, was a very pleasant affair. It was largely attended and proved a financial success.

The proceeds of the lecture delivered by Rev. Mr. Bentley at the M. E. Church on Wednesday evening, are to be applied toward the purchase of an organ for the North Portland M. E. Mission Sunday School.

Those who particularly desire a splendid fit in their spring suits will find it to their advantage to order the same at the establishment of Johnson & Quinn, merchant tailors, on Stark street, between First and Second.

Persons desiring certificates to teach in the Public Schools of this county are requested to present themselves before the Board at the Central School House, in this city, on Saturday, the 27th inst., at 9 o'clock A. M. It is necessary to be promptly on hand.

Wm. Beck & Son, No. 105 First street, are astonishing their numerous patrons by the exceedingly low prices at which they are disposing of their varied and elegant stock. They are doing this in order to make room for a large invoice of Grover & Baker sewing machines, for which they have an agency.

The New Market Theater in this city was opened on Wednesday evening for a season of sixteen nights. The full, efficient and talented troupe, most of whom now make their first appearance in this city, combined with the elegant appliances of the new theater, will doubtless render this one of the most brilliant theatrical seasons ever enjoyed by the citizens of Portland.

The "Seattle Monitor" sewing machine is one of the grandest achievements of the age. No shuttle, no bobbin, and no re-winding of thread required; makes the "lock stitch," "chain stitch," and "cable stitch." Runs easily, and sews readily upon all fabrics. Call upon Mrs. A. B. Paxton in the Good Templars' building, No. 104 Third street, near Alder, and see this magic "Little Monitor" at work.

The fine iron ship Annan arrived in this port on Saturday last and dropped anchor abreast our city. She brought 800 tons of railroad iron, destined for Walla Walla. She commenced discharging freight into scows, which were made fast alongside, on Monday morning. These will be towed to the Cascades by the Oneonta, and there reshipped to their final destination.

Hallet, Davis & Co.'s magnificent pianos, and Geo. Woods & Co.'s splendid parlor organs may be seen and tested by those desiring to purchase first-class instruments for home, church or school, at the establishment of Mrs. A. B. Paxton, in the Good Templars' building, No. 104 Third street, near Alder. These pianos are from a house that has a well-established reputation of thirty years' standing. Testimonials from leading and reliable citizens can be furnished to patrons.

A little daughter of Mr. Enoch Turner, of the Slough, aged about three years, met with an accident by which she was terribly burned on Sunday evening. In playing about the room, the child lost her balance and fell against the stove, which was red-hot, striking the right side of her face against it. One hand was also badly burned in her efforts to save her face. The accident transpired so suddenly that it was impossible to prevent the injury. Medical attendance was immediately procured, but it is feared that the burn will seriously disfigure the little girl. We extend our cordial sympathies to brother and sister Turner in this painful affliction.

It was announced in the last number of the *Sentinel* that Mrs. S. C. Smith would deliver a lecture at Jacksonville, on the evening of the 23d, on "Domestic and Connubial Happiness," and the "Follies of Fashion," supplementing the same with a few miscellaneous remarks upon intemperance as it effects the domestic happiness of the human race. It was further announced that the lady would deliver a lecture on "Temperance" at the same place, on the evening of the 23d.

The Independent Champions of the Red Cross will, by special request, repeat their recent entertainment at Reed's Opera House, in Salem, on this (Friday) evening. In addition to the drama, "Ten Nights in a Bar-room," the laughable farce of "Nothing to Nurse" will be played. The Knights have spared neither labor nor pains to render themselves perfect in their parts, and we are sure that popular triumph and financial success await them.

W. S. Wheeler, one of the original proprietors in the Hillsboro *Independent*, has gone into the meat business in Santa Rosa, Cal. If the present proprietor of that paper would follow the example of his predecessor, Washington county would be gainer thereby. Quill-driving is evidently not his forte. Cattle-driving might be.

A lodge, supposed to be rich in silver, has been discovered in Tillamook county. A company is at work drilling, blasting, etc., strong in the faith that it will pay. The winter in that county is said to have been very mild, and prospects for good crops were never better. Happy Tillamookers!

Josephine Mansfield has recovered a judgment against the estate of James Fisk, Jr., for $35,000. An effort is being made to secure a new trial.

"MY MUSINGS---A FEW FANCIES IN VERSE."

The many friends of Mrs. A. J. Dunlway, who have from time to time expressed a desire to possess such original poems as they have heard her recite at the close of her lectures, can now have opportunity to purchase them in pamphlet form for the low price of twenty-five cents. Send orders, with cash, to this office, and receive the poems with the author's autograph.

Vick's Floral Guide, No. 2, for 1875, is upon our table. It presents the usual variety of descriptions, illustrations, directions and comments, and is indispensable to those who love and cultivate flowers. Issued quarterly in German and English at 25 cents per annum. James Vick, Rochester, N. Y.

There are 5,068 church edifices in the State of Pennsylvania, attended by 2,332,000 persons, and having a money value of $52,758,000. The Methodists lead all the other denominations in the State, and the Presbyterians come next in order.

The graceful capitulation of our Walla Walla correspondent is only equalled by his magnanimity in expressing himself willing to call the contest a "draw." Truly wonderful is the occasional condescension of the mind masculine.

A VALUABLE DISCOVERY.—Dr. J. P. Miller, a practicing physicianat 22 Spruce street, Philadelphia, has discovered that the extract of cranberries and hemp combined cures headache, either bilious, dyspeptic, nervous, or sick headache, neuralgia and nervousness. This is a triumph in medical chemistry and sufferers all over the country are ordering by mail. He prepares it in pills, at 50 cents a box. The Doctor is hugely known and highly respected.—(Philadelphia Bulletin.

Death would be impossible if the proclamations of the Absolutely Infallible messengers were true. But, alas! their terrible excitants send thousands staggering to the grave. Instead of adding fuel to the fire of disease with such deadly compounds, try the cooling, renovating, purifying and regulating effect of that inestimable combination of herbal juices and extracts, Dr. Walker's VINEGAR BITTERS. the sole specific for Dyspepsia, Chronic Debility, Headache, Bilious Colic, Liver Complaints, Gout, Rheumatism, and Chronic Constipation.

PHOTOGRAPHIC GALLERY.—Boehtel & Stoltz's first-class Gallery, established in 1859, possesses all the facilities to do better work than any other Gallery in the State. All the new styles East are made in our rooms. We preserve ALL OUR NEGATIVES, and have at present over 12,000 on hand, from which duplicate copies can be had at any time. We have engaged the services of Mr. Ch. Hasselmann, artist, late of Sarony's, in New York, Bradley & Rulofson, and G. D. Morse, San Francisco. Oil Paintings, Photographs in Water Colors or India Ink, and also the beautiful Crayon Pictures executed to order. Call and examine specimens. 4 26

The AMERICAN NEWSPAPER DIRECTORY is an epitome of newspaper history. It is also regarded as an official register of circulations. This feature requires the closest scrutiny to prevent it from leading to abuses. The plan adopted by the publishers of the DIRECTORY to secure correct and trustworthy reports is rigid in its requirements, and is adhered to with impartiality. Successful publishers, who have something to gain by a comparison, are generally prompt, not only to send reports in conformity, but give Messrs. Geo. P. Rowell & Co. such information as enables them to weed out unsubstantiated statements of pretenders in journalism. The popularity of the book, and the general confidence in its accuracy and good faith, are attested by the immense body of advertisements it receives. 4 26

The table of Sewing Machine Sales for 1874 shows that our sales last year amounted to 232,444 (two hundred and thirty-two thousand, four hundred and forty-four) Machines, being a large increase over the sales of the previous year (1873.)

The table also shows that our sales EXCEED those of any other Company, for the period named, by the number of 113,254 Machines, or nearly double those of any other Company.

It may further be stated that the sales of 1874, as compared with those of 1873, show a relative or larger increase, beyond the sales of other Makers, than of any other year.

For instance, in 1873 we sold 65,000 more than any other Company, whereas, in 1874, the sales were 113,254 Machines in Excess of our Highest Competitor.

These figures are all the more remarkable, for the reason that the sales of the other Companies in 1874 are LESS THAN THEIR SALES IN 1873, whereas, as has been shown, OUR SALES HAVE LARGELY INCREASED.

The account of sales is from returns made to the owners of the Sewing Machine patents.

It will hardly be denied that the superiority of the SINGER MACHINES is fully demonstrated—at all events, that their popularity in the household is unquestionable.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use VINEGAR BITTERS.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
