"I have no doubt but what you
would," said his companion; "but it is
necessary to try this plan, because she
flirts alarmingly with that young Dr.
Lee. Unfortunately he is absent at the
present time, but you will nevertheless
have an opportunity to test for yourself
whether she ever cared for you or not.
Now don't you make a mistake?"

"I intend to do just as I please, and if
Gerald chooses to be jealous, let him be

whole conversation had been heard by
the captain.
