of them very well governed.

A woman sits upon the throne of shakes, etc. the mightiest empire in the world. A woman is the high admiral of the most powerful fleet that rests upon the seas. Princes and nobles how to her, and not in the mero bounge of gullantry; and AGENTS FOR THE NEW NORTHWEST, shall we say that a woman may not vote for a common councilman in the

city of Washington ?"

John Smart Mill, after studious research, testime as follows: search, testime as follows:

"When to queens usel emperors we add regents and viceroys of provinces, the list of women who have been eminent rulers of mankind swells to a great length. The fact is so undentable that some one long are tried to retort the argument by saying and queens are better than kings, because a size kings women govern, but noder queens, nearly your opponent was right. Our raises all tell us of the wonderful influence women's more man. So that it may be possible that we are the victims of women's misrate to-day, instead of

woman's universe to-day, instead or man's. If that he sa, then enfranchise women; place her in such responsible positions that our wiest statemen, our clergy, our philanthropists, shall recogbest influences brought to hear upon woman. With women limits to become sovereigns, would not wisdom and self-preservation dictate that every educa-tions), scientific, and industrial advantogs should be given to worsan as it to man? You talk to us of the duty of motions. Sentisment, where in the wast realm of science, and, politics to mean state manuship and the restriction.

(by politics I mean state manuship and

Especially is her wonderful talent paid. "Especially is her wanderful talent for governing evinced in Asia. If a Hindoo principality is strongly, vigurantly, and economically governed; if order is preserved without oppression; if cultivation is extending, and the people presperous, in three cases out of four that principality is under a woman's role. This fact, to me an entirely unexpected on a "I subscribers nearest to the persons the persons direction, they are boild such." rale. This fact, to me an entirely unex-pected one—"

Continues Mr. Mill: "I have collected from a long official law entering the name of the collected from a long official law is symptom from the office, or removing and leaving them ancided for, is prime lasts evidence of intentional from a long official law is symptom from the office are many such instances; for though, by Hindon institutions, a womtic hough the stickers of its full reports;

THE NEW NORTHWEST,

The postmaster who acquired to give the long in the office of the neglected is pursued to be presented in a pursue of the second to be an intentional from the office of the neglected is a pursue of the second to be a pursue of the second to be a second t an cannot reign, she is the legal regent of a kingdom during the minority of the heir—and uninorities are frequent, the lives of the male rulers being so often prematurely terminated through their inactivity and excesses. When we consider that these princesses have never been seen in public; have never conversed with any man not of their own family, except from behind a curtain; that they do not read, and if they did, there is no book in their fanguages which can give them the smallest instruction on political affairs, the examination of the control of th struction on political affairs, the example they afford of the natural capacity

of women for government is very strik-In view of these facts, does it not ap-In view of these facts, does it not appear that if there is any one distinctivery feminine characteristic, it is the mother instance for government? The instinct daily recognized by the fathers of unruly boys when they ask mothers, "Care't you manage (toose boys?")

We confess that we had not always so understood woman, but had accepted the leaching of our commencement-day orators, and almost indexed her to be a

orators, and almost believed her to be a

The momentury manterior the ajony, black by the thumbering terrains of ments lives.

But now with glearer vision we re-read the record of the past. True, we get no Raphael or Beethoven, no Puld-ius or Michael Angelo, from woman. No woman has painted the greatest ple-ture, curved the finest status, composed the noblest oratorio or opera. Not with definition of the East-Office works the mobilest oratorio or opera. Not mixture the reliving and electrons of the mobilest oratorio or opera. Not mixture the reliving and electrons of the mobilest oratorio or opera. Not mixture the reliving that the long list of warriors; but in 1876.

We cannot hope for complete representation while we are powerless to recall, impeach, or punish our representatives.

We meet with a case in point in the wind to day the peer of main would man has not been idle. Infinite wisdom has not been idle. Infinite wisdom has introduced to ber the living, breathing
