MSS 4 DOUS FRANTS.

Tuesday evening we were treated to a splendid performance at the City Opera House in a new and original way.

The opening scene was a gala pageant through the streets of the town, with magnificent floats and costumed participants. This was followed by the grand procession, which included the mayor, council, and other dignitaries, all aboard beautiful horse-drawn carriages. The audience was thrilled by the pageantry and the music, which was provided by a large orchestra.

The highlight of the evening was the opera itself, which was a beautiful and captivating production. The characters were well-cast and the singing was exceptional. The set design was especially impressive, with a backdrop that seemed to transport the audience to a different time and place.

The audience was on their feet and cheering at the culmination of the opera. We have never experienced anything quite like this, and we are eagerly anticipating the next performance.
