stated, he had an important trust in his hands, which would be greatly endan-gered by dividing the small force on which its safety depended. But his hu-manity would not allow an appeal for aid from a beleaguered detachment to be urged in vain, hence he assumed the dream he related to me about a week be urged in valn, hence he assumed the responsibility of leaving the wagon-train with an escort wholly inadequate to its defense, and going with 150 men to the aid of Lavton. to the aid of Layton.

We left the wagons about noon and pressed him so deeply that he felt it his reached a tributary of Willow Creek about sunset. Here we came upon an Iodian woman sealed by the trail, toss-ing an infant in her arms and more a ing an infant in her arms and murmur- zation would be impossible. He then ing a dismal sort of chant. Our Indian stated with much feeling that he had stated guides tried to engage her in conversa- plainly seen my dead body, nude and Rock, Sanvies. tion, but she was not inclined to be horribly mutilated, carried by my cumtion, but she was not inclined to be communicative, for even the young pro-rades down from a high hill through the ranks of yelling savages, and, between the young and hunckled In her apathetic ears in valu. But, in- wrapped only in a blanket, deposited in stead of maltreating her in any way, the ground, while hostile bullets we bestowed upon the forforn creature a whilstled and screamed above and

day from the Umatilia we descended a long hill to the John Day's, where we this was a premonition—and it would day. Ether the second se found Layton and his command, the certainly look so-how strange that he Indians having disappeared the day be-fore, driving before them all his beef cattle and a number of his horses. Here we remained till the following morning, when, taking up their trail, morning, when, taking up their trail, C. Chrisman, both messmates of his, be- w we followed on up the river. Entering ing among the number. Beaverton, Cedar Mill, Cornelius, fulley, For-st Grove, Gienerse, Greenville, Hillshorn, Mid-leton, Mouniatin Dale, Prake, Shol's Forry, Three mouths shork Ferry, Tuiladin, Wapata, Conterville, Alers Creek, Gaston, Joppa, Reedville, West an extensive valley of smooth prairie [To be continued,] hand, we descried at no great distance about a dozen Indians riding leisurely Women Teachers. along, driving a number of pack-horses A writer in Harper's Monthly gives before them. The advance guard was a very interesting account of the in-ordered to charge, and, while using their vasion of women into the profession horses to their utmost speed, came upon a level spot shat was honey-combed by prairis-badgers, or some such animal, when every horse stambled or fell, and only small children attended. As late threw his eager rider headlong to the as 1845, a Rhode Island report shows ground. The savages, witnessing the ludierous termination of this determ-ined onset, cleft the very heavens with their exultant yells, struck the bulky packs from their borses, and were soon hidden from our view by intervening disciplined by women. Horace Mann hills. was the foremost advocate of women On examining the packs they had teachers. He believed that women fills. on examining the packs they had tokiners. The better adapted that women so hastily abandoned, we realized how completely we had been "sold." They consisted simply of worthless sucks reform. Partly as the result of his distended by slender twigs. Camping on a small creek soon after, we were visited by a party of sixteen men who represented that they had been follow-libber and the transformation of the transformation of the tabors, the number of women teachers in Masseinaetts in 155s was 5,210, in place of 3,591 in 1837. In 1870, according to the census, seventy-four per cent, of all the teachers in the United States ing the Indians for a number of days, hoping to recover a band of horses they alleged had been slolen from near The Datles, but finding that the thieves were defended by five or six hundred war-riors, had thought best to allow them to enjoy their booly. These men were days took what they could get, and were all well mounted and armed to the teeth, and seemed well supplied, not only with food, but with that bane of humanity with food. But with that bane of and fifty cents a week. In Iowa at one bumanity, whisky, not evincing any time the average salary of women disposition to be niggardly with either. disposition to be niggardly with either, I was astonished that Major Layton seemed not to discredit their statement, for cents per mouth. Men teachers, from supplying the hostiles with muni-tions of war. As for Captain Goff, he was so thoroughly honest and unsophis-ticated that it neverentered his mind that anybody was not just what he professed, and these genial romancers ieft us in an hour or two with the best wishes of the Major and Captain attending them, During the following night rain fell
