lable goods at "bottom" prices. order before our people.

"Home, sweet home," is not com-plete without a bottle of Pfunder's Oregon Blood Purifier. It is truly a home remedy,

Wm. A. Perkins fell overboard from the ratiroad ferry and was drowned on Saturday evening. The body was re-covered on Sunday morning. In com-pany with his mother, he was about to lepart for San Francisco when the fatal accident occurred.

The Taylor-street Church was packed literally to suffocation at union services on Sunday evening. The exercises, though interesting, were quite too lengthy for general appreciation. One man fainted and was carried out of the church, the locident creating temporary LARGE AND COMPLETE SELECTIONS

Barnum & Campbell have recently erected a portrait gallery on Fifth street, opposite the post office, where they are prepared to enlarge pictures in oil, from any kind of a picture, no matter how badly worn or taded. They also take ferrotypes in all the latest styles. Thirty-six comes for lifty cents. ty-six goms for fifty cents.

"Haby mine" has improved so much since I commenced giving her Pfunder's Oregon Blood Purifier. It is so nice for

At the usual temperature meeting on Saturday evening of last week, Dr. Agnes Burr read an appropriate article the music was excellent and the numerous short speeches good. A large number signed the piedge. The exercises on next Saturday evening will be equally interesting. Go to the Y. M. C. A. rooms early and obtain good seats.

Miss Angusta L. Dargon closed an exngly successful engagement at New Market Theater on Saturday even-The concluding programme should in a striking degree her won-deful versatality of intent, opening with the "sleep walking scene," from Marboth, and closing with the Trish Miss Dargon appeared as"Judy O'Trot." " below" was given in the interval wills wonderful power and effect.

nanneling a jury in the case of the O'Shea robbers and murderers proved a tedious proceeding. But seven jurors were selected the first day, two venires being enhanted in furnishing them. It is a hard task to flod twelve men who know little enough of some cases to be nilowed to not as jurors; harder still, to find twelve who know enough of others even after they have listened to evi-dence to decide justly. This last qual-ity is, however, unsought, ignorance being the main requirement of an accepauble furor.

Unprecedented Success. We have positive proof before us that C. N Criminaton, of 7 Sixth Avenue, New York City, has sold during the fast two months over fifty theunand nottles of HALK's HONEY OF HORE norm and Tak, an article for the cure of on a colds, Industria, houseness, difficult by and land tubes, and lungs leading to conhave surselves received proclaiming its wonin an have been enred as there have been sold. We understand that the only papure in which Mr. C. has advertised his article this city are our fully and Sunday News. Thus the advertising public will see the necessity of advertising in a paper which makes a demand like the above. A hint to the wise is sufficient. - Dully News, January 12. All druggien sell this article at 50 cents and \$1. Depot, Critisation's, 7 Sixth Avenue, New York City. real saving by purchasing the large size.

Are Fat People Healthy ? Why are fat people always complaining " asks some one who entertains the popular though erromeous notion that health is synon ymore with fat. Put people complain because they are diseased. Obesity is an abnormal dition of the system, in which the saccha rine and obeginess elements of the food are assimilated, to the partial exclusion of the muscle-forming and brain-producing elements. In proof of this, it is only necessary to assert the well-known fact that excessively fat people are never strong, and soldom distind for mental powers or activity. aides, they are the easy prey of acute and epi-demic discusses, and they are the frequent vic-tures of goot, beart disease, and apoplexy. Allary Anti-Fat is the only known remedy for thirdismas. It contains no sold, is absolutely harmless, and is warranted to remody the most confirmed one of obsatty, or corpulance.

Home for Homeless Women. Under the ampiece of the Band of Helpers, Location—Columbia street, between Fifth and Sectio. Mrs. Virgil, matron. The doors of the Home stand open to all homeless women of good character. Heard and room will be furnished at cost to those who have means and Fark to those who have not. Tempetary work will be furnished at the Home, and pernoncontalizations obtained for immutes. Ludles who have seeing to put out, who are in need of professional nurses, or any kind of help, are F urged to apply at the Home, and thus ald this tender effort to help their own sex.

NEW ILLUSTRATED POEM.

"In with you, man or Pelytiah said. "You'd better try to earn your bread. Than like the birds to bill and coo! Twitl do for them to sigh and woo, For they have nothing else to do."

DAVID AND ANNA MATSON.

By Mrs. Abigail Scott Duniway,

Editor "New Northwest," Portland, Oregon, WITH BEAUTIFUL HAUSTRATIONS, AND ELEGANTLY BOUND

A new epic, from a vigorous and skillful pen, on a subject which occupies a large place in the ocial discussions of the day. The subject is taken from Mn. Whittier's short narrative of "Da-rid Malson," with which the reader is probably familiar. David Matson, a Merrimae satior, was captured by the Algeriuse (during one of his voyages) and sold into slavery. After many years he obtained release and was on his way to the home of his baybood, when he fell in with his old employer, who informed him that his wife, believing him dead, had remarried, and, stunned by his trouble, he surrendered all chaim as husband and father to the man who had stepped into his place, and departed. Mrs. Duniway has bound a theme in this slory with which her heart beats in warmest sympathy, and her lines flow on in the smooth cadence in dicative of the fullest accord. She pictures the gentle, tender, trustful Anna and the wity, cov ctons Pelatish in vivid colors; and how years of percent and initiality, and the cries of the nun-gry boys, compelled poor Anna to yield to Pelatish's importantly.

My poor, unmated dove," said to

" And look henceforth for love to me."

" Become my wife and you shall be Made happy through pre-perity."

While, it she persists in declining his advances, well-like, he threatens to abandon her to star-

valion and cold. And this Petatiah was a "deacon,"

"In exhortations deep and ignd." The wanderings of David, his captivity, release, hapless interview with Pelatinh, discovery of Anna's second wifehood, and his sad going back to Algeria, are all told so pathetically that our icelings are deeply enlisted. No one, with any true scattment, can read the poem without being thoroughly stirred. The illustrations are in admirable keeping with the passages they are designed to portray, and a line engraving of the author is a fitting frontispiece. The subject, spirit, fire and passion of the poem should give it an extensive realing, made from the interest which the literary reputation of the author must awaken in it. As a specimen of book-making the volume is certainly beautiful, and would adorn any center-table.

We know of no work so well adapted as a present. It is printed on heavy tinted paper and most beautifully bound, price, \$2.00; full gilt extra, \$2.00. For sale by book-sellers, or S. R.
