DR. PAUL M. BRENAN,

The Most Successful Physician on the Pacific Coast

IN THE TREATMENT OF ALL

CHRONIC AND DIFFICULT DISEASES,

HAS RETURNED AFTER AN EXTENSIVE tour of the Eastern States for the past four months. The Doctor visited all the principal medical institutions in the large cities of the United States, and comes back with all the modern methods, instruments and appliances known to the most scientific men in the profession. The Doctor has also brought charts and manikins to illustrate his lectures.

DR. PAUL M. BRENAN has been 15 years locating on the laws of Life and Health. In his private and public lectures he has taught men and women the true system of life, how to be healthy and happy. If they would only be guided by his wise counsel. Buhall cannot bear his delightful and instructive lectures, nor can he tell everything necessary for suffering humanity to know from the public rostrum before a promiscuous audience. There remains much to be learned from him, as his experience extends over broad fields of active professional life. This knowledge so necessary to the welfare of sufferers can only be gleaned by private Professional Consultation at his office. His experience in the various parts of Europe and America gives him such opportunities of learning the delicate diseases which the human family are prone to, their mode of treatment and permanent cure, as no other physician on the Pacific Coast can claim. He has not only treated these diseases most successfully, but has made them a life study, as a new moments' consultation will prove.

He has become an expert in the treatment of disease, weakness and disarrangement of the reproductive organs of both male and female, including diseases caused by the

FOLLIES OF YOUTH,

Such as SPERMATORRHŒA, or SEMINAL WEAKNESS, or Loss of PERFECT VITALITY. Nearly two-thirds of all the Chronic diseases spring, either directly or indirectly, from some derangement of the sexual system, and yet this subject is neglected by the majority of the medical profession.

IT IS TRUE

That persons who are unfortunate enough to be afflicted by any form of sexual disease have a delicacy in calling upon the proper physician in time, from a sense of modesty, and sometimes from ignorance, and permit those diseases to exist until their constitutions become corrupted, their organization broken down, and the hope of future happiness blighted, until death becomes a welcome messenger to carry them out of their miserable existence.

Those who call in time upon DR. PAUL M. BRENAN need have no fear but what he will restore them to perfect health and vigor, make their bodies pure and their minds content, if they will only follow his advice and treatment.

Catarrh, Bronchitis, Throat Diseases, Skin Diseases, Rheumatism, Kidney Complaint and all Diseases of the Eye and Ear, Stomach and Bladder, he can cure without fail. No Quack Nostrums used; no stop treatment; no false promises. Everything strictly confidential under all circumstances.

Consultation Free, and a list of printed questions sent to those living at a distance who cannot consult him personally.

All Surgical Operations performed.
