LETTER FROM OHIO.

To the Editor of the New Northwest: By reading the editorial correspondence of the New Northwest of April 1st, I was led to tender the writer my sympathy, not that I think she needs any help (but from our Father in Heaven) to defend the truth; and she has had so many victories to strengthen her faith that I know she has no fears of the final result.

I have been thinking we ought rather to extend our sympathies upon her opponent, Dr. S. G. Irwin, who is certainly under a strong delusion. His teaching would make God a tyrant, and who can love a tyrant? "God is love," saith the Scripture. No wonder such a preacher makes infidels.

The great transgression, according to Paul, was disobedience; and yet woman was not created when man was commanded not to eat of the tree of knowledge of good and evil. She was kept pure to become flesh and blood with the Son of God, to "save rebel man." As Adam was a representative of all men, so Eve was a representative of all women.

Woman's subjection to man was for a purpose I need not name; but it relieved her from the law that "wratheth wrath." No animal's blood had to be sacrificed for her sins; but her flesh and blood was sacrificed upon the cross to atone for the sins of men. Did not St. Bernard say to Christ's mother (by the Holy Ghost), "A sword shall pierce through thy soul?" There are many women, and many sons of women, in whose spirits there is no guile who will stand before the throne of God at the last day without fault. I believe in Christian perfection and grace.

MATILDA WALLACE, Hammondsville, Ohio, April 20.

THEATRICAL. The Oregonian states that Miss Annie Adams, Little Maid, Miss Belle Douglas, Miss Lou Edgar, Mr. Lindsay, Mr. Allen, and other members of the company recently of New Market, are playing at Walla Walla. It was reported when they left this city that they went to the Sound.

John Maguire's benefit on Monday evening, while a success financially, was not so artistically, judging from the complaints heard upon every hand. The most notable feature of the evening was the unravelling of the new drop curtain, painted by John R. Wilkins, which is said to be a very fine piece of scenic work.

The performances given by Barton Hill and Mrs. Julia Cameron, Saturday afternoon at New Market Theater was not well attended, and in consequence they did not appear in the evening as advertised. If Mr. Hill could not draw the support of Mr. Chaplin and Maguire's company, he surely could not expect to do so with only Miss Cameron and a Mr. Barnes, of Olympia, to assist.

The benefit tendered by the citizens of Portland to Mrs. D. F. Smith at New Market Theater last Friday evening was largely attended by the elite of the city, and the lady very well felt proud of the appreciation with which she was met by her many friends. She was ably assisted by some of the best amateurs and professionals in Portland, and every number was rendered in excellent style.

Mrs. Smith was particularly effective in scenes from "Macbeth," showing a thorough appreciation of the author's meaning, and fore-throwing a brilliant nature for the lady should she properly develop her histrionic talents. She will appear at Pope's Hall in Oregon City to-morrow evening, and we bespeak for her a crowded house.

THE OREGON KIDNEY TEA. Read the following testimonials, not from persons 3,000 miles away, whom one knows, but from well-known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office:

PENDLETON, Or., Jan. 12, 1890. Having used the OREGON KIDNEY TEA for one of my sons, whose urinary organs were injured by taking turpentine, I cheerfully certify to its beneficial effects, and recommend the same to the public.

LOT LIVERMORE, Agent for Wells, Fargo & Co. PORTLAND, Or., Jan. 22, 1890. I hereby certify that I have used the OREGON KIDNEY TEA and been greatly benefited by it. I heartily recommend it to the public.

CHARLES SHARP, JR., Traveling Agent for Wheeler & Wilson Mfg. Co., 29 Geary st., S. F. HENRY FRANK FRENCH. It is certified on all sides that Dr. Ayer's Pills are above comparison with other medicines. Uniting the best elements known to the chemist, they are particularly effective against the numerous stomachic disorders for which they are recommended as a cure. These Pills are so mild, yet searching, that they are often prescribed by doctors who otherwise do not favor patent medicines. Indeed, with the fruits of Dr. Ayer's gentles in the shape of Pills, Sorghum Syrup, Acme Cures and Cherry Pectin, one could with impunity travel through the swamps of tropical America, or follow Stanley on his travels through the interior of Africa.

D. 1890, at 10 o'clock of the forenoon, to show cause why you should not be granted by this Court, by the said James A.
