America Leads the Nations in the March of Progress.

Among the wonders of the World's Columbian Fair the grandest was the exhibit of American products. The Exhibition was, in this respect, an object lesson of the grandeur and glory of the Republic. Among the exhibits from the United States no article of its class stood so high as

Dr. Price's Cream Baking Powder.

The Chief Chemist of the Agricultural Department at Washington, backed by an intelligent jury at the Exposition, found it strongest in leavening power, peerless in its purity and beyond comparison in uniform excellence.
