ADDRESSES BY TWO GOVERNORS.

Able Documents Worthy of Much Consideration.

Governor Lord's inaugral address was

indeed a scholarly effort. After a faw introductory remarks he launched forth and paid a just tribute to the resources of the state, then gave the national administration a side wipe, and then urged upon the members of the legislature the necessity of economy. He said that where all classes are it behooves the legislative body, upon which rests the authority to levy taxes and direct the exnecessarily increased and their property Such a change is needed in our statutes 34. James Dunnavin, Myrtle Creek. public expenditures. It is not only de. service, to do away with trades and comall your appropriations, but at the pres- and to put an end to the disgraceful ent time it is absolutely indispensible to scenes that sometimes characterize the sioners to withhold from any county its the public welfare. No good citizen will scramble for legislative appointments to school fund until the state taxes from find fault with a public expenditure office. which is essential to the public service, but all will feel aggrieved, and have a public moneys ought to be submitted to

> The governor pointed out the necessity laws, and strongly recommended that the present legislature revise our tax

tices, whether good or bad.

own convicts from the jails to the penithe convicts to the penitentiary authorities, and the cost for each convict brought to the prison is thought to be largely in excess of what it would cost for the warden to send a guard for such convicts. This method of conveying convicts to the penitentiary, and others adopted in several states and resulted in son for its application more manifest

The governor continues: "In my judgment, one of the greatest dangers ingimanner of taking appeals; to enforce criminate immigration now inundating Mt. Scott-W. H. Shoemaker, R. A. ber 15th and between April 15th and national life in disturbing the conditions and in endangering the health and safety J. M. Hagey, J. W.
