Webster defines a republic as: A state in which the sovereign power is exercised by representatives elected by the people. Is that the case on the Hawaiian Islands? Certainly not. sust look at the constitution adopted by those cunning pirates

I. The president is elected by the senate, and appoints every official of importance.

II. The senate consists of 15 members. Only persons having a clear income of \$1800 are elegible as senators, and only persons having an income of \$900 are qualified to vote for senators. By this simple provision all persons haying an income of less than \$900 are entirely disfranchised as far as the presidency and senate is concerned. Fine young republic!

III. The house consists of 15 mem bers also. But only persons having an income of \$600 are elegible as represen-

tatives. Glorious young plutocracy! IV. Agricultural and personal service labor may be penaliv enforced. See whip? And what would you think of Eight and nine add together, seventeen is the person or party that would advocate such constitutional amendments for the said state of Oregon? Would such amendments, if enacted, not disfranchise ninetenths of the voters of our state? Why then prate about that young republic, March became St. Patrick's birthday. when it is nothing but a conningly devised scheme of bold but conscienceless scoundrels to enrich themselves by plandering the moffensive natives under the guise of a republican form of government? How anybody not a knave at heart, can defend such a monstrous wrong is more than I can understand.

World's Tribute to Dr. Price's Cream Baking Powder Highest Honors Awarded by the World's Columbian Exposition, Chicago, 1893 World's Fair

HIGHEST MEDAL awarded to Dr. Price's Cream Baking Powder

The highest award was given on every claim, comprising superiority in leavening power, keeping properties, purity and excellence. This verdict has been given by the best jury ever assembled for such a purpose, backed by the recommendation of the Chief Chemist of the United States Department of Agriculture, Washington, D. C., who made an elaborate examination and test of all the baking powders. This is pre-eminently the highest authority on such matters in

This verdict conclusively settles the question and proves that Dr. Price's Cream Baking Powder is superior in every way to any other brand.

Norn .- The Chief Chemist rejected the Alum baking powders, stating to the World's Fair jury that he considered them unwholesome.
