FOREST FIRES. The forest fires fill the firmament with suffocating smoke during the dry season on this coast. The next legislature ought to pass an act forbidding putting out fires during the months of July, August and September with severe penalties for its violation.

PATRIOTISM. The patriot is he, who, living in this country, is willing not only to fight, but to die for it. It was this sentiment which gave to the United States the grand volunteer army of 1861.

COME OFF THE FENCE. The Review is straddling the fence. It dare not oppose the water company and is afraid to antagonize the people.

That astute 'Country Republican' who in the Oregonian of July 30th, writes of himself in the third person, thinks the people like humbug and that is why Hermann got the nomination.

Victor Adam, who murdered Justice L. L. Baker in cold blood in Fresno county, Cal., last week, was captured soon after and has paid the penalty, being hanged by a mob. Lynch law may not always be the best, but it is less expensive than that dealt out by the regular courts.

The Salom hog is always wanting something. It is now squealing for a 200-cow creamery, a 1000-hog packer, and an Oregon Central. It sounds much better crying for these things, than for things belonging to her neighbors, and we hope she may get them.

In the evaporation of prunes of Oregon, Washington and Idaho this year, the air will carry off in visible vapor 25,000,000 pounds of water. If this were condensed it would fill a reservoir 200 feet square to the depth of ten feet.

BUSINESS PERSONALS. A Salzman, the reliable jeweler. J. T. Bryan, the Busy Watchmaker. For a good 5-cent cigar call on Mrs. N. Boyd.

What's the use of paying 25 cents when you can get a good square meal for 15 cents. Stop at the Central hotel and be convinced.

These having second hand stoves, furniture, etc., for sale can receive the highest cash price by calling upon N. Rice, the furniture and supply dealer, 221-223 Jackson street Roseburg, Or.

Notice is hereby given to the public by the undersigned that I do not allow dead animals to be buried on my premises, at Roseburg, Oregon, or garbage dumped thereon or sand or gravel taken therefrom, unless the party taking sand or gravel first contract with me for the right to do so.

First Mortgages on Improved Farm Property Negotiated. We are prepared to negotiate first mortgages upon improved farms in Oregon, with eastern part at a rate of interest not to exceed 9 per cent per annum.

Wants the Earth as Well. 'A horse! a horse! my kingdom for a horse!' was once the exclamation of a great king when in dire distress. Thus it is with the Review, in its cry for the printing.

Consider the Subject. By the action of the Roseburg Water Company in discontinuing the 'fire plugs' from the water mains, the city is now in imminent danger of destruction by fire.

TELEGRAPH NEWS. Riots at Spring Valley. Chicago, Aug. 5.—A special to the Post, from Spring Valley, Ill., says: Foreigners under the leadership of Italiani and negroes, who have concentrated their forces at Seatonsville, are both organizing today and as the towns are practically under mob law, a deadly conflict is anticipated.

That Bogus Bishop. ASTORIA, Aug. 4.—Joseph Wignin Robert, representing himself as the Catholic bishop of Honolulu, was arrested here this evening charged with obtaining money under false pretenses.

Situation in Omaha. OMAHA, Neb., Aug. 4.—Things have been quiet in the city today. The fire and police board last night decided it was not necessary to maintain an army of policemen at the police station to defend them from an attack of a mob.

It May Do As Much For You. Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected.

Of Interest to Fruit Growers. Mr. F. Martin, representing the Oregon Fruit Union, is stopping at the Van Hatten House, Roseburg, and will be pleased to furnish any fruit growers in this county with any information they may need in regard to packing green fruit, if they will forward their name and address or call on him at the above named hotel.

Protect The Fish and Game. Shoot or fish only in the proper season and escape the game warden by observing the laws. Many states have new game and fish laws this year, and if you don't know them, send five 2c stamps for a copy of the Game Law issue of THE AMERICAN FIELD, 245 State St., Chicago.
