DECEMBER 5, 1895.

THE MESSAGE.

The president discusses the currency question quite extensively. He points out the folly of reissuing of treasury notes instead of cancelling them as fast upon the treasury as fast as they can be policy creates a deficit. Where is the bid waters of American politics," accumulated in the course of business surplus coming from under the Gorman-

demption, like an endless chain pump. The president says: "The government has paid in gold nine-tenths of its United States notes and still owes them

purchases without extinguishing by to congress. such payments one dollar of those notes.

This system he says is for "supplying gold for foreign shipment or facilitating its hoarding at home."

as they are called, and treasury notes deficit for 1897. issued for silver purchases under the act of 1890-the Sherman act-by exchanging them for bonds at 3 per cent, republican national convention will go to on long time. He thinks the increase of Chicago, our national debt by this method would be amply compensated by a revival of business by a restoration of confidence

He anticipates a surplus revenue tendance at court, show their appreciawould create a sinking fund. He also tion of a good hotel by registering at the favors the national banking system as a McClallen. means of relief by an increase of their During the past week we have had is careless of the interests of his own saying that, though he has educated all circulation, based upon the deposits of variable weather-rain, hail, snow, wind country. United States bonds to their full face and sunshine. Appearances indicate value, and the tax now of I per cent. be that winter is here. reduced to 1/4 of 1 per cent. By this Thanksgiving was generally observed roe doctrine as if it were a rule of intersystem the increase of circulation by the at this place by the usual slaughter of national law. It is neither dignified nor and a rat either forgives or forgets-but banks would equal the treasury notes turkeys, which were roasted and served politic for the administration at Wash- a cut! She is a hopeless bundle of sensihe proposes to cancel, and thus fill with appendage of celery and cranberry ington to take up the quarrels of South bilities. Strike her once, if only by ne-

He also recommends selling bonds abroad if necessary, for gold to redeem treasury notes. He hints at the advisability of a private banking system.

The silver bullion in the treasury is about \$178,000,000, which he thinks might be coined into fractional dollars three days visiting Mrs. A. Jacques this l'ost (conservative)-As regards Saquires heroic treatment.

Don't Despair

Business is always fluctuating. Like the waves of old ocean, there are times the Victory Placer mines, to visit the high, and, as the wind subside, the able to accept, and we will then give the waters assume a tranquil state. So with readers of the PLAINDEALER a write-up of business. The adverse winds of speculation has caused trade to dash with fury against the rock-ribbed coast of finance. some a partial and some a total wreck, often Glendale girls call for their mail. the wreckers will gather up the debris Binger, spent Sunday at Glendale visitwhich comes ashore, and anon their ing his daughter, Miss Mollie, at Hotel crafts will launch out again upon the sea Dockhorn. of trade and soon it will be alive with A. G. Hamilton is managing the

The cyclonic winds of democracy have churned the ocean of trade as never before, and thousands have been wrecked, their goods destroyed, their credit blasted and they are stranded on the ceived the sad news of the death of her barren beach of fuin and despair. But father, Mr. Aytch at his home near Walbehold, the calm zephyrs of protection lace, Idaho. His age is 70 years. He are beginning to wast their breezes over was for many years a resident of this the land and soon the genial warmth valley, and was universally esteemed by from the sun of republicanism, as of old, all who knew him. He leaves an aged will cause the hearts of the people to reiouce in the prospects of better times. Those who can keep afloat another husband and father. Four of his daughyear will see returning prosperity. Woodford, Mrs. D. C. Tyrer and Miss

A Backdown.

The brag and bluster and self-conceit of England is shown by her course in the Turkish embroglio. When she perceives she is not feared when she tries to bully measure through to her liking, she backs down. When she sent her warship Dryad to the Dardanelles, it was expected that Turkey would get down on statement of the belief and teaching of her marrow bones to Johnny Bull, the religious sect known as "Seventh had an important case, and he wanted Turkey possibly would have done so had Day Adventists" in relation to Turkey to take the legal big gun in as adviser. not Russia, Germany and Austria been and the Eastern question. there to see that if Great Britian did not to boist anchor and go back, claiming she had accomplished her purpose—showed her astuteness in backing down after finding she could not humble Turkey and dictate to her, her policy. She possibly both. finds the sick man is convalescent and able to look after his own interests.

the powers would permit it. But the powers were too powerful, and England backwards." "It is not red. It is not a be held that night. That afternoon, having powers were too powerful, and England that the red to be held that night. That afternoon, having nothing else to do, the young lawrather than get into a fight with more And so it might be said of the article reyer and his client went to a ball game powers than one, concludes the game is ferred to. It is correct except in its The first man they saw inside the not worth the ammunition and backs statements. It is well to remember that grounds was the great lawyer, who was down from her purpose, that of carving the turkey and getting her choice of the to the "Seventh Day" or commandment to the vigor of his lungs. CATS HARD TO TRAIN.

Years of Patience and Plenty of Kindness An English exhibitor of trained aniin any way compromises the dignity or male, Mr. Leoni Charlee, is reported as sorts of animals, from lions downward. he has found that the most difficult of them all is the cat. He has to treat this creature with extraordinary care. A deg is sensible, a monkey accommodating, America communities which do not de- cident, and she will never perform again.

Although 30 cats are sufficient for his entertainment, he has 60 or more with ing responsibility, and they will not like him, for cats are very skittish creatures, and when they take the whim in their heads it is useless to take them on the and slowly put into circulation as the screek.

Hotel Glendale is crowded with guests, pears to be framed on lines which the mewing is prodigious, and he is insecretary of the treasury thought necessary. He says he realizes we are finanand it takes a number of cooks and atscreen and it takes a number of cooks and atscreen and it takes a number of cooks and atscreen are finanand it takes a number of cooks and atscreen are finanand it takes a number of cooks and atscreen are finanand it takes a number of cooks and atcially ill and that our restoration re- tendants to wait upon the hundreds of gard to Cuba, there are similar sugges- some of his animals before he could put tions of a disposition to conciliate the them upon the stage. A parachute cat, feelings of popular agitators. These which climbs up a rope to the roof of things are incidents of every presiden- the theater and flies down by parachute, tial campaign, and President Cleveland is the second which has done the trick never pretended to be superior to them. A curious feature of the show is the way in which the cats walk over a rope of rats and mice and canaries, stepping gingerly between the little fluttering bodies. This mighty forbearance is from kistens in the same engo as the Be Sure to get HOOD'S and rats and birds. There are only six of his cats that Mr. Clarke dares trust among the rats. The rats and mice come from taken with Hood's Sarsaparilla. 25c, per box. Java - Exchange.

Tea and Eggs.

I recall a colored waiter at a queer little hotel in Alabama, who asked a friend N

"Will you have ten or coffee?" "Ten. "Store tea or sasser tea?" "What's that?"

"Store tea or sasser tea?" "What d'ye mean by sasser tea?" "Sassafras tea—good for de blood." "Give me store tea. I want meals, not medicine.' And another who asked:

"How you have your eggs?" "Soft boiled." The waiter disappeared and returned.

"Boss, I don't believe you'd care for dem eggs boiled. Better have 'em mixed up wid a ham omelet." No eggs were ordered .- Polly Pry in New York Recorder.

Boston Politeness.

The Observant Citizen of a Boston daily witnessed an interesting incident in a Boston electric. A young man was seated reading in a crowded electric car. and a fashionably dressed, elderly woman entered, accompanied by a pretty girl. The young man never looked up until the elder lady, touching his shoulder, said, honey sweet, "Would you kindly give my daughter your seat?" The young man looked at the young woman, who looked by no means ill or feeble, then raised his hat and said quietly, "No, madam.

He Wasn't.

"You oppose every movement of wonan in politics," said the fair lobbyist, and you speak sneeringly of the 'new oman.' Are you a misogynist?" "M—no," replied the representative from Egypt, scratching his chin. "I'm a bimetallist."—Chicago Tribune.
