

OAKLAND.

Miss E. H. Honser went to Roseburg Wednesday. H. C. Long of Yoncalla was on our streets Saturday. Judge Stearns was in our town on a visit last week. Mr. P. B. Beckley made a trip to the county seat Wednesday. Henry Beckley of Elkton make our town a short visit last week. Mrs. A. G. Young returned from Pomeroy, Washington Tuesday. Sam Hartsock went to Roseburg Thursday to work for Mr. A. Marks. N. La Raut and wife of Garden Valley were traveling with our merchants Monday last week. T. K. Richardson of Roseburg was in town Tuesday extolling the fine qualities of the Crescent Bicycle. Miss Jessie Ohmart left Friday morning for Yaquina where she will remain with relatives for some time. Mr. L. McFarland returned home Wednesday. He says Mrs. McFarland is improving slowly since she left Portland. Luther, brother of S. O. Emery, who has been visiting here left for his home in Kansas last Wednesday. E. G. Young & Co. shipped two car loads of cattle to Portland Sunday. James Young went in charge of the stock. Mrs. Geo. Settle spent several days in Yoncalla last week looking after the interests of the millinery business. Several of our town boys went to a dance at Nonpariel Friday night which was very well attended considering the state of the weather. The Populist speaker Harry Watkins spoke at Young's Hall Monday evening of last week. Harry seemed to amuse his hearers if he did nothing else. Mrs. J. H. Dearmin who has been visiting relatives here for some time expects to leave Monday the 4th inst. for her home in Baker City, Or. Rev. H. S. Shangle came in from his mountain home Saturday and held services at the Presbyterian church Sunday morning and evening. C. H. Medley is now prepared to furnish sodawater from his new fountain. The Monitor Chevalier Spa. Charley has just received it from John Matthews of New York. Mrs. Humphrey and Howard Smith of Marion County came up recently to see their father W. B. Smith who is quite sick. Mr. F. Humphrey came in company with them to visit friends. Douglas, youngest son of J. H. Mahoney, is very low with typhoid fever and heart trouble which makes a very complicated case. It is hoped he will survive the ordeal and be around with his playmates in the near future. Mrs. A. D. Hawn of whom we spoke in our last report as being ill, has been in a very critical condition lately. Dr. Gilmore who is attending her thinks there is a turn for the better and with good care she will survive the severe trials she has had to pass through. We hope she will be restored to her family in her usual good health ere long.

CALAPOOIA.

Rain, rain, when will it stop. Crops in this part look yellow, on the account of so much rain. The cherry crop and the prunes are all killed by the frost in this section of the country. C. A. McGee of West Roseburg is spending a few days with his many friends on the Calapooia. Chas. says the A. P. A.'s are all right. Miss Alice Bishop of your city is visiting her parental home on the Calapooia. H. wears a smile. C. A. McNab attended the Sunday School last Sunday. What is going to happen. R. O. Lehman can find his rooster in Green Valley. He is organizing a people's party club there. A. B. Handen bought a fine lot of hogs of J. A. Cole. Mr. Handen will fatten a lot of porkers this fall. The basket dinner of three parties on the Green Valley Creek, April 24th, was a grand success, so says Herbert. C. A. McNab is buying cattle for E. G. Young & Co. C. A. is a rustler. There will be a box supper at the Calapooia school house, Saturday night, May 9th, for the benefit of the Sunday School. The young ladies will insure a good time and well filled boxes. That would be a good place for some of our candidates to drop in and help the good work to go on. Irvy Goff was seen in our valley last Sunday. The attraction was not very great.

Anti-A. P. A. Meeting.

At a called meeting of the citizens of Coles Valley at the Coles Valley school house on May 3d, there were quite a number of voters present and the following business was transacted. L. T. Thompson was chosen chairman and O. I. Hittle, secretary. The chairman on taking his seat stated the object of the meeting being to take in consideration the best plan to defeat that organization known as the American Protective Association and to ascertain which of the candidates belong to the said A. P. A., and we believe that the said A. P. A. will do all in their power to elect their candidates. We think it is best for all true American citizens, irrespective of party to unite on one set of candidates outside of the order and cast a solid vote for them. There were several short speeches made and papers read; one by H. Dear-dorf which would convince any man that the A. P. A.'s are a political organization pure and simple, (more simple than pure.)

The secretary was instructed to send a copy of the proceeding to both Roseburg papers. It was resolved to continue the meetings in different parts of the county and hold them with open doors; invite all to attend, be they A. P. A. or anti-A. P. A. We hold no malice toward anyone, but want and will down that damnable association known as the A. P. A.'s. The next meeting will be held at the Calapooia school house, May 18th, at 1 p. m. L. T. THOMPSON, Chairman. O. I. HITTLE, Secretary.

A Grand Shooting Tournament. Last Sunday afternoon the local trap shooters of the city congregated at the shooting grounds in Uncle Aaron Roses' field adjoining the city limits and amidst a drizzling rain and a howling wind, immediately proceeded to break all the blue rocks in the basket, the principle weapons used being shotguns and clubs. The first shoot was at 25 single birds, the score resulting as follows:

Table with 2 columns: Name and Score. Parks 12, Sykes 7, Kidder 9, Cathcart 9, Matthews 10, Sanctuary 7, Strong 6, Perry 1, Cannon 8, Tolles 14, Miller 13.

The next on the programme was a special shoot at five single birds there being seven entries and resulted as follows:

Table with 2 columns: Name and Score. Tolles 2, Parks 3, Matthews 4, Tynan 0, Case 0, Cathcart 0, Cannon 3.

The next was a special match at ten birds for blood and a thousand acres of wild turkeys in Montana between Cathcart and Cannon. Cathcart was the first to toe the mark with a smile of confidence upon his face proceeded to kill two out of his first five. Cannon equalled his score and went him two better killing four. As Cathcart next toed the mark it was noticed he was a shade paler than when he entered the contest. He however succeeded in killing two more out of his last five and Cannon doing the same secured the turkey ranch. This score stood as follows: Cathcart 10 1 0 0 - 1 0 0 1 - 4 Cannon 0 1 1 1 1 - 0 0 1 1 0 - 6

A Perfect Poultry Raiser.

My scientific poultry raiser is now on the market. It receives the chicks when 24 hours old. Has no artificial heat. Has all the desirable qualities of the mother hen, with additions. Protects from hawks. Puts to rest after one week old. Takes care of several sizes and ages at once. It requires but small space in the yard or flower garden. Is ornamental as a bird house. Seldom loses a chick. A ten-year-old boy or girl can manage one with a hundred chicks as well as an expert. For further particulars address Mrs. Evelyn Maxum, Camas Valley, Douglas county, Oregon.
