A Card.

To the voters and taxpayers of Douglas county, Sirs: As we are nominated for legislative honors by the people's party, it is a pleasure as well as a duty to let the voters know how we stand relative to the issues directly affecting your interest. If elected we pledge ourselves to work for the following measures:

1. Free coinage of silver at the ratio of 16 to 1, the constitutional money and the money of our fathers.
2. We will support only a silver candidate for U. S. Senator.
3. We will work for the re-enactment of the mortgage tax law under exemption from tax of honest indebtedness where a corresponding credit is shown.
4. United States senators by direct vote of people.
5. Initiative and referendum making the people independent masters of the legislature and the legislature a dependent servant of the people.
6. Abolishment of Oregon National Guard costing \$50,000, and railroad commission 25,000 to the taxpayers yearly. Several other commissions should be abolished. We think that our friends will agree with us when we say that the employing one hundred and eighty clerks to do the work of thirty is an outrage on the people and a disgrace to the state of Oregon. This outrageous extravagance must be paid with 40-cent wheat, 6-cent wool and 3-cent prunes.
7. We recognize the great combinations of capital that are here; they are a normal form of business enterprise of the day. They have great advantage that can effect great benefits for society. Society, therefore, ought not to destroy them. But as they have also great power for evil that threatens society, we should be wise enough and manly enough to control them. Therefore, since our railroad corporations own one-sixth of the entire property of the country, it is suggestive that we act quickly along the line of reform. Respectfully,

C. S. JACKSON,
 J. F. GAZLEY, JR.,
 JETHA GREEN.

On a motion, which was unanimously carried, that a vote of thanks be tendered to the editors of the newspapers published at Roseburg, Or., for the many favors that they have extended to this Camp of Veterans.

On a motion unanimously carried, that this meeting adjourn for the present and to meet again at 1 o'clock p. m., on July 3, 1896.
 W. F. BRIGGS, Captain.
 H. H. WOODWARD, Orderly Sergeant.

Your Physical Condition

Needs attention at this time. If you are tired, weak and nervous, it is clear that your blood is impure, and without doubt there has been too much over-work or strain on brain and body. The course of treatment for such a condition is plain and simple. The blood must first be purified so that the nervous system, and in fact all the organs will be fed upon pure blood. Intelligent people without number have testified that the best blood purifier, nerve tonic and strength imparting medicine is Hood's Sarsaparilla. Nervousness, loss of sleep and general debility all vanish when Hood's Sarsaparilla is persistently taken; in a word, health and happiness follow after taking Hood's Sarsaparilla.

Messrs. Jas. Gazley Jr. and John Jackson of Canyonville, are in the city today on their way to Looking Glass on missionary work on populism. Mr. Gazley is the populist nominee for State Senator. The above gentlemen have been canvassing the county and report that the populists are going to keep in the middle of the road this time, sure.

Messrs. Ross and Lemihue, who have been prospecting in the Coast Range for the last month, came into the city today. They report that, of the twenty-four days out, it snowed twenty-one, and consequently they did not do much on the ledge they were prospecting. They will return, however, as soon as the weather settles so they can work to advantage. The ledge is unmistakably rich in ore of the precious metals.

Charles Becker, the adroit forger, is in New York, and Detectives John Seymour and Ross Whitaker are after him. Becker has succeeded in swindling a large number of banks, by the means of forged checks, out of hundreds of thousands of dollars, and has had detectives on his track for a long time, but until quite lately he has eluded them. It is said "murder will out." So with minor offenses they will come to justice eventually.
