THOSE LIBEL INDICTMENTS.

The indictments found by the grand jury against Tom Dine, W. F. Benjamin, C. H. Fisher and Lee Wimberly were

demurred to and argued Thursday. These indictments are all of the same class, viz: libel. That against W. F. ••••••••••••••••••••••••••••••••••• Six Per Cent. Money!

CAN NOW BE HAD BY SUPPORTING THE

LAND OWNERS' UNION.

KNOW THAT, By a succession of well-laid schemes successfully carried into effect, capital has land values by the throttle and calmly turns a deaf ear to the plaintive moans of dispair. We are now unable to hold our lands and unless a proper step is speedily taken, present land owners must soon bow submission to centralizing wealth and step down and out only to find themselves scourged slaves of an haughty aristocracy.

We are Ready to Co-operate.

There is no reason why the people of Oregon should not have six per cent, money. People of other states have it at even four per cent. We must make a move. The opportunity has now come and by the hearty co-operation of those who wish to borrow money at the low rate of six per cent., the parties will be able to establish a loaning association in our midst, which will be one step toward relieving our burdens.

The Plan.

Certain steps have been taken to furnish money at a low rate of interest to those who have farm lands to give in security. By securing the co-operation of enough who want loans, the plan can be perfected to furnish money as above described.

A "Land Owners Union" will be formed and all who are sufficiently interested to give it support will be allowed to take out loans at six per cent.

I shall remain some days longer in Roseburg, then move my headquarters to Grants Pass. Hence all who are interested in procuring money on their farms at the low rate of 6 per cent. will address box 96, Roseburg, for circulars, which will explain the move more thoroughly. Those with keen insight will see at a glance what this means for Oregon.

Full particulars will be given after the circular has been returned to me, having been filled carefully and accurately.
