Patriotic address by Gen. T. J. Thorp, at the Opera House on Aug. 3 and 4, at 7:30 p. m. Subject, "Americanism." All lovers of our free American institutions should attend without fail. Oregon has its drawbacks as well as all other countries under Uncle Samuel's flag, but blizzards and cyclones are none of them. Neither are mosquitoes, cockroaches, potato bugs or hot, sultry nights.

The members of fire departments are requested to meet tonight at the hall at 7:30 to pick a team for the tournament. All members will please attend, as business of great importance is to be considered. Farmers are now busy harvesting and do not come to town so often, which cause with about half the citizens gone to the coast or into the mountains to rusticate, the city presents quite a deserted appearance.

There are a large number of vessels now enroute to Portland. Thirty nine vessels have cleared that port since April 3 of this year, and July 25 there were 15 in port. The capacity of those enroute are 61,813 tons, and of the 15 in port 21,516 tons. The laws socials given by the Epworth League have proven a great success. It is pleasant to meet your friends in this social way, and every ten cents you spend you know it is going to a worthy cause, so come Friday evening, July 31st, to the M. E. church, L. Ave. Rev. J. R. N. Bell entertained last night, from 9 o'clock until 11, at the Caro corner quite a number of persons, by eloquently discouraging upon the silver question. He has lived long enough in Baker City to be thoroughly infected with the silver craze which prevails in that section.

The two days' field sports to be held in this city August 21th and 22th will no doubt be largely attended, both by Douglas county people and by persons from abroad. The band contest alone is sure to attract large numbers, to say nothing of the horse races, ball games and other sports and attractions. The committees in charge are doing all in their power to make the affair a grand success and the citizens will back them up in pleasantly entertaining those who may visit in that section.

SCOTTSBURG.

J. Sterling came down from Drain last week and went down to Gardiner to see the creamery. Mrs. Wm. Barchard, has returned from Portland with her little daughter, Maggie, where she has been to have the little girl's eyes attended by a specialist.

J. Copeland took a load of sturgeon out for shipment last week. The tide of humanity, flowing to the beach, is greater than for many seasons. Many are seeking the cool breezes of the sea, and searching for health and rest, the heat of two weeks ago driving them from their homes where the ocean winds do not reach them. A camping city of over one hundred now occupies the sand dunes of the mouth of the Umpqua.

With sincere regret we chronicle the illness of Mr. Geo. Banvers. He has a severe paralytic stroke, and it is doubtful if he ever recovers to any like his former strength, having been falling flat since an attack of the grippe, several years ago. Mrs. Beckley of Oakland came down several days ago to visit her afflicted relative.

Mrs. C. C. Henderer has been visiting in town for a few days. Also a sister recently from the East. Rev. Mr. Huddlestone filled his appointment at the school house of Long Prairie last Sunday. He was accompanied by the Rev. Mr. Chevalier, late of Washington. During the day two discourses were delivered, and the remarks of the latter gentleman were convincing and interesting. Although young in years he has been preaching for some time, and we feel sure he will make a permanent and noticeable position among the clergy and do much good.

Mrs. J. Henderer, C. C. Henderer, his sister-in-law, C. Helden and many others have been to the coast recently. Mr. Cleaves, watch repairer, who has been staying in Gardiner for some months, made a trip to Elkhart recently. He expects to visit the lakes soon.

Potatoes in this section will be a very short crop, consequently the price will be at good figures. The mutterings are long, deep and prolonged against the action appropriate for the Bohemia road. There are hundreds who cannot raise tax money now, and an increase of burden is the last straw in the present stress of hard times.

Rev. M. Stratford went to the beach last week. Benton James of Elkhart was in town the first of the week. J. C. Oly is again driving on the stage line. Travelers missed his jokes and pleasantries for a few days.

Threshing has begun. The atmosphere has some smoke mingled with it. Messrs. Galt and Kinn and their families have fled to the mountains to have a little respite. The farmers are very busy harvesting, hence the city is rather quiet at the present.

Lock Sanders and Jake Miller started Tuesday for Randon to see the duck pond and dig claims. Dr. King's wife has been very sick for the past few days. Dr. Page from Oakland was to see her Tuesday. We trust she will soon convalesce. Mr. Cartwright is having his store fixed up inside, painting, papering and building an ice room. All this shows prosperity.

Earnest Starr has just returned from a trip to the Willamette Valley, Eugene, Junction and Monroe. He reports times dull in those parts. W. W. Shipley has left J. H. Moore in his drug store, and has gone to run Sam Long's engine during harvest. Mr. Long thinks W. W. Shipley is the only one that can make a success with his engine.

On the 17th inst., Mr. J. W. Pegler and Miss Clara M. Williams were married at the residence of the groom's parents, and the next day they started east of the mountains on a wedding tour. May be to them through life. Eldier J. H. Moore was the officiating pastor.

L. C. H. Main and family, Mr. G. Co-burn and family of the place, and Mrs. J. H. Shupe and daughter Grace, of Roseburg, have returned to Yoncalla from a trip to the coast fork of the Willamette, on a blackberry trip. They report quite a good many berries, and brought home about 150 quarts.

Oregon folks will have to make much of small fruit this year, as large fruit is almost a failure. By another year, if it is a good fruit year, the many pruned and apple orchards, which have been put out around Yoncalla, will begin to yield their many delicious fruits. Therefore, we trust next year will be a good fruit year, believing that Oregon people will then know how to appreciate our fruit.

A YONCALLA CITIZEN.

DR. DARRIN COMING.

This Celebrated and Well Known Specialist to Visit Roseburg August 26 to Sept. 5. Through the urgent request of many in this vicinity, one of the celebrated Drs. Darrin has been prevailed upon to visit Roseburg and will have his office at the McClallen House. Those wishing to consult the doctor will find it to their advantage to call on him there.

He comes to us laden with testimonials from throughout the northwest, and the authenticated reports of some of his cures seem nothing short of miraculous. There are few ills to which human flesh is heir, which cannot be relieved and permanently cured by Dr. Darrin's Electro-Magnetic and medical treatment, and cases that have resisted the efforts of ordinary physicians have yielded to his power.

These cases embrace almost every kind of disease, and as a rule before, no man woman or child need despair of relief and cure, while Dr. Darrin offers his invaluable services. Unlike other physicians who have become eminent in their profession, the doctor's charges are extremely moderate and reasonable, according to circumstances and ability to pay. He will not undertake any case he cannot cure or benefit. Consultation is free, for should there be any cases that are incurable he will immediately discover them, thus saving his patient any further time and money, which they might otherwise squander. For the benefit of who are not already acquainted with the doctor's mode of operating with electro-magnetism and who may seek aid, though distrustful after many failures of every-body and everything, Dr. Darrin makes the extraordinary and most generous offer to treat the worthy poor free between the hours of 10 and 11 a. m. daily, to prove to the community at large his ability and skill.

Dr. Darrin makes a specialty of all diseases of the eye, ear, nose, throat, catarrh, deafness, bronchitis, la grippe, consumption, dyspepsia, constipation, heart, liver and kidney diseases, and permanently cures all diseases of the genito-urinary organs in either sex, such as syphilis, blood taints, scrofula, gleet, gonorrhoea, stricture, seminal manhood and loss of desire or sexual power in man or woman.

All peculiar female troubles, irregular menstruation, leucorrhoea, displacement, etc., are confidentially treated, as well as acute, chronic, private and nervous diseases of whatever nature, if curable. Consultation free. Office hours are 10 a. m. to 5 p. m., evening 6 to 8; Sunday 10 a. m. to 1 p. m. Charges for treatment low and reasonable according to ability to pay. Most cases can be treated at home after one visit to the doctor's office. All business relations with Dr. Darrin are strictly confidential.

The McClallen. This popular house has been renovated from top to bottom. The sleeping rooms, 51 in number, are newly papered and painted in the latest approved styles of the art. The parlors are large, airy and tastefully decorated and furnished. The dining room is nicely decorated, but the tables are more so with what makes a hungry soul glad, waiters all attentive and hostess accommodating. The rooms are lighted by electric lights throughout, thus lessening the liability of fire. The arrangements are complete and most conducive to the comfort of guests.
