### OUR STANDARD BEARERS.

For President. WM. McKINLEY. For Vice-President, GARRET A. HOBART.

For Presidential Electors. T. T. GEER, of Marion County. S. M. YORAN, of Lane. E. L. SMITH, of Wasco. J. F. CAPLES, of Multnomah.

walk over him or both must go to destruction together.

will meet at Indianapolis, Sept. 2, to public utterances on the tariff question when two metals are used for money make a presidential ticket. So we will are having much to do with persuading purposes it can say how much of each make a presidential ticket. So we will bave a third party in the field. Whom wage earners all over the country to or- shall constitute that unit. In practice Association. have a third party in the neid. Whom gamine McKinley clubs. But, any way, there can be but one unit of measure. Association met in this city last night will it name to lead democracy out of industrial operatives are getting in line. But neither can be a standard of value. upon the occasion of its touth annual for protection and good wages.

It can only be a standard and of measure convention. Every county in the state fore the people. Ab, who will it be?

Protection will come only with republicanism. Republicanism will come only with McKinley .- N. Y.

The history of the United States shows that when we have had protection we have had prosperity, and that when we have broken down our protective system we have broken down our industry. Interest bearing debt. August and it is in the full knowledge of that fact the people will vote in November .-S. F. Call.

One sentence of Mr. Bryan's speech-"Production of wealth goes before exchange of wealth"-furnishes complete justification of Major McKinley's theory that "it is better to open the mills of the Wilson law United States to the labor of America than to open the mints of the United States to the silver of the world."

The workingman who dates his difficulties from 1835 will require a tremendons quantity of argument to convince Expenditures him that he is suffering from an act Receipts. committed in ISTS, and not from the more recent folly of the democrate who Democratic deficit when Cleveland assumed power.

would mean \$1.25 per bushel for wheat. McKinley tariff. Any wheat larmer who has been rolling in wealth since the McKinley law was showing himself in a dime museum.

est toil. - William McKinley.

whether the sheep grower receives any me a day for two to do it—the speech tanif for revenue, and many ask the benedit from the tariff or not. \* \* \* made by the boy orator of the Platte' question, where has Cleveland got his Whether he does or does not I am for when he was notified in New York.
