OUR STANDARD BEARERS.

For President, WM. MCKINLEY. For Vice-President, GARRET A. HOBART.

DEMOCRACY GONE MAD.

It is painful beyond measure and beyond description to witness the straits to which the party leaders of the Bryanites go to debauch the public mind by poisoning it with falsehoods which are put in circulation by their political Ananias.

Two of these infamous lies referred to in this campaign are printed in the Review of last Monday. One letter purports to have been written to Hon. B. C. Bell, a prominent democrat of Ft. Wayne, Indiana, from Till Wall street, New York, by J. Francis Forsythe, stating that Hanna is offering to raise \$25,000,000 to elect McKinley.

Never was a more grievous wrong done the farmers of our country than that so unjustly inflicted during the past three years upon the wool growers.

WORK ON THE ASTORIA RAILROAD

Work is progressing steadily on the Astoria & Columbia River railroad, and a gang of men is at work on the line between Astoria and Goble, grading the roadbed.

TO THE OLD SOLDIERS.

OLD SOLDIERS: COMRADES: As an old comrade I would like to talk to you a little in regard to the coming election.

"It is immaterial in my judgment whether the wool grower receives any benefit from the tariff on wool or not; whether he does or does not... I am for free wool."

Pertinent Questions for Workmen.

Mr. Bryan asks the workmen to study the financial question. That is excellent advice and every workman should follow it.

A Reformer for Revenue.

Reformer Weaver, of Iowa, went to Cedar Rapids the other day to speak, but refused to do so until paid \$25 in advance.

The Greeley Year.

This is more than the Greeley year, when the bottom dropped out. In the September election of 1872 the republicans of Maine had a plurality of 7,216.

A Boston woman claims to have found a new way to read character and discover the secrets of temperament or genius. Coming from such a source it naturally would be expected to display marked originality.

The action of the democratic state central committee in determining to run T. W. Watson for vice president, practically makes it a purely populist ticket.

This has been an eventful week for Roseburg and marks a sad epoch in her history. The sudden death in a fearful manner of three young men by the fatal accident Tuesday morning, has cast a gloom over the entire community.

That Tired Feeling. Makes you seem "all broken up," without life, ambition, energy or appetite. It is often the forerunner of serious illness, or the accompaniment of nervous troubles. It is a positive proof of thin, weak, impure blood, for, if the blood is rich, red, vitalized and vigorous, it imparts life and energy to every nerve, organ and tissue of the body.
