IT MEANS PROTECTION.

The Restriction of Foreign Immigration.

Protection for the American people was the question that was decided at would protect the best interests of the Garden open and flood this country with limited number of sets of the great Enthe ballot-box this month. One party people by a greater issue of money; the other party by protecting the manufacturing interests of the United States. Every one was anxious to get business started, so that the thousands of unemployed people could get work. How to get this money into our pockets honestly is the next questcon. The only way I can see would be to start up the factories, mines and mills; build public buildings, forts, arsenals, men-of-war, merchant vessels; spend it in every way we could think of to give employment to the people who are now here in the United places se soon as they order a strike. at the advanced prices. over to Europe to spend it among the people there.
