ROSEBURG'S OPPORTUNITY

To Secure the Encyclopædic Dictionary.

The Pacific Coast Newspaper Syndicate extends to the people of Roseburg and vicinity an opportunity to secure a limited number of sets of the great Encyclopædic Dictionary, upon the same easy terms as were recently offered in Portland and at the low introductory prices.

This offer will hold good, at most, for a few days only, as the purpose of the Syndicate at the present is confined to distributing a limited number of sets at various points in the state for the purpose of comparison with other works of reference. This distribution is rapidly approaching its end, after which it will be impossible to obtain the work except at the advanced price.

As far as Roseburg and vicinity is concerned this is the final opportunity. The payment of \$1 secures the delivery of the entire set, four massive volumes, (5375 pages, 250,000 words, of which 50,000 are treated encyclopædically) at your home or office. The balance due to be paid in twelve monthly payments of \$1.25 each.

You will never again have such a chance. Send your name and address at once to the Pacific Newspaper Syndicate in care of THE PLAINDEALER and you will be supplied with sample sheets for examination, free of charge. See advertisement in another column.

How to Prevent Croup.

Some reading that will prove interesting to young mothers. How to guard against the disease.

Croup is a terror to young mothers and to post them concerning the cause, first symptoms and treatment is the object of this item. The origin of croup is a common cold. Children who are subject to it take cold very easily and croup is almost sure to follow. The first symptom is hoarseness; this is soon followed by a peculiar rough cough, which is easily recognized and will never be forgotten by one who has heard it. The time to act is when the child first becomes hoarse. If Chamberlain's Cough Remedy is freely given all tendency to croup will soon disappear. Even after the croupy cough has developed it will prevent the attack. There is no danger in giving this remedy for it contains nothing injurious. For sale by A. C. Marsters & Co.

For Over Fifty Years.

AN OLD AND WELL-TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

To Rent.

The Darlington, Wis., Journal says editorially of a popular patent medicine: "We know from experience that Chamberlain's Colic, Cholera and Diarrhoea Remedy is all that is claimed for it, as on two occasions it stopped excruciating pains and possibly saved us from an untimely grave. We would not rest easy over night without it in the house." This remedy undoubtedly saves more pain and suffering than any other medicine in the world. Every family should keep it in the house, for it is sure to be needed sooner or later. For sale by A. C. Marsters & Co.
