The Darlington, Wis., Journal says editorially of a popular patent medicine: "We know from experience that Chamberlain's Colic, Cholera and Diarrhoea Remedy is all that is claimed for it, as on two occasions it stopped excruciating pains and possibly saved us from an untimely grave. We would not rest easy over night without it in the house." This remedy undoubtedly saves more pain and suffering than any other medicine in the world. Every family should keep it in the house, for it is sure to be needed sooner or later. For sale by A. C. Marsters & Co.

Goods delivered free to all parts of the city. Leave your orders with me and save money. Roseburg, Or.

Flour, Feed, Provisions.

Competition never worries us, because we "buy right" hence "sell right." The facts are these; every move in our business is only made after the most careful consideration, nothing left to chance. Shoes have advanced in price but not with us. We sell you a good oil grain shoe for $1.25 and upwards, fine shoes in proportion. If you doubt us, come and see us, convince yourself that we have what we advertise. We don't care to do all the business in town, but want to get a share of it. We firmly believe that a concern that gives its customers exceptionally good values in every instance is bound to go ahead year by year. This idea prevails throughout our entire business. Every dollars worth of goods must give the wearer satisfaction, even the all wool absolutely fast color $8.00 suits.
