# Rules for Butter-Making.

The instructor at Cornell Agricultural College, Ithaac, N. Y., has sent out a list of rules about butter-making and ipening cream. He says: The practical part of cream ripening is this: Keep your vessel so that it may

or 68 degrees and keep it as near that temperature as possible until rips, and cream should be coagulated or thickened. her childhood, and guided with such un-failing care the development of her girl-hood into the grand and noble woman, while the pittfal grief of the grand child-while the grand child-the grand child-while the grand child-the grand child-the grand

while the pionic grief of the grand child-children was a sil-nt testimonial, to the fulfillment of the promise he made to his into running off in streaks and showing the surface of the paddie. When the issue of the surface which do not would be a father to her children. Although Mr. Jones was never a com-monnicant of any church, he was a man of positive religious convictions, a Chris-ian, whose whole life was exemplified in the surface of the strain gloss or fresh sur-face. Churn until the granules are the size of wheat kernels: then draw off the size of wheat kernels: the dr tian, whose whole life was exemplified to the sacred teachings of the Golden Rule. How beautiful the thought that with him the end of his earthly exist-ance is but the beginning of endless life. To the bereaved ones, a still small voice the waters, whiling the churn a few times around Use from a pint to a quart of water per pound of butter, Have the water at a temperature of 40 forms of earthly beauty that perish but to spring to a higher life. So it is that ently whispere. gain " All about us we see the fading forms of earthly beauty that perish but to 62 degrees in winter, always depend to 62 degrees in winter, always depend to 62 degrees in winter, always depend ing upon sesson, natural solidity of the butter, warmth of room and size of gran-ules. If you do not care about feeding ules. If you do not care about feeding the washings, I would put some salt in the washings, I would put some salt in

the sorrow and separations of this inter inter warned of not care about feeding are but the entrances to eternity. To the sorrowing widow and children, we offer in personal friendship, our sin cere sympathy and condelence. May the granules better, and perhaps dissolve impossible to do business on a credit out the case in to some extent. I would basis, and belive that I can do better by generally salt the butter in the churn.

### Populist Lobbyists.

Mr. John C. Young of Baker City, chairman, and L. M. Robinson, secre-tary of the populist state central com-

mittee, were in almost constant attend-ELEKTON, Feb. 23. Mrs. Dora Rader of California has just departed from this world. She leaves a busband and two small children to mourn her loss. She was the daughter Mrs. Dora Rader of California has just they are lobbyists. What do the honest rank aud file of that party, and there are many good men among them, think of such eaders? It is too true that many in the control of mourn her loss. She was the daughter such leaders? It is too true that man of Mr. and Mrs. Thomas Maxfield who of the so-called reform leaders are in i resided on the Umpqua river for many years. She was a dutiful daughter and loving sister and loved by all that knew her, and her bereaved family has the sympathy of many friends. Rest, dearest friend, for thy suffering is that fall from the legislative table.

Eugene Guard. The willow is one of the most adapt-able of plants. A willow switch stuck in the wet ground will almost invaria-bly take root and become a tree.

The dressmakers are men, and women carry the burdens.

The spoken language is not written and the written language is not spoken. Books are read backward, and any tes are inserted at the top. White is used for mourning, and pridesmaids always wear black, and, in-

they shake their own hand instead of the hand of the person introduced. Vessels are launched sidewise, and orses are mounted from the off side. They commence their dinner with des sert, and end with soup and fi-h.
