Looking Glass Notes.

A fine shower on Sunday eve greatly helped vegetation Rev. Coryea of San Francisco, Cal., began a series of meetings at the church

ast Sunday evening. Edward Morgan and wife of Gilliam county, Oregon, are visiting with his father at the old homestead.

The social dance at the hall on Saturday night, though not largely attended, was greatly enjoyed by those present. Corn and beans planted a week ago have made a good start, the young plants showing a growth of two inches. Crops here were suffering for want of dent rain till the pressure was relieved by a timely rain Sunday night. Let more Th

come is our earnest plea. The Sunday School had a large at-tendance Sabbath morning, notwith-standing the counter attraction of a picnic and camp meeting at Ten Mile.

On Saturday the viewers appointed by the county judge consisting of M. Grimes, Buell and Marsh from the valley were in attendance. The people here hope to hear a favorable report.

Quite a number of the young folks enjoyed a picnic on Sunday at "Devils Garden" at Ten Mile. Among those who went from here were: Oma Strick-land, Ada Miller, Susie and Maud Oli-vant, Daisy and Laura Williams, Maud and Cora Goodman, Blanch, Alice and Pearl Churchill, Eva Denning, Cora Andrews. The cabinet also considered the Cuban matter today at a special meeting, and indorsed the recommendations of President McKinley regarding relief measurements.

The popocrats are scared. There is a rebellion in the democratic party against further continuance between silver democrats and populists, and members of these organizations are wild with alarm. The Rebellion in Uruguay.

A special dated the 17th to the New York Herald from Montevideo says that official reports announce that General Villiers' forces had an engagement with the insurgents, commanded by the rebel leaders Lamas and Saravia, and defeated them with heavy loss. The battle lasted eight hours. The insurgents made i desperate resistance, but were compelled to retreat in disorder' to the Brazilian frontier.

The government regards the victory as decisive, and believes that the revolt has received its death blow. Another dispatch says the Uruguayan troops have defeated the insurgents under Lamas and Saravia. It is officially announced the insurgents have been routed, and the revolution is considered

How to Treat a Wife.

Your wife may have trials, which, though of less magnitude, may be which, though of less magnitude, may be hard for her to bear. A kind word, a tender look, will do wonders in chasing from her brow all clouds of gloom.—To this we would add always keep a bottle of Chamberlain's Cough Remedy in the house. It is the best and is sure to be needed sooner or later. You wife will then know that you really care for her and wish to protect her health. For and wish to protect her health. For
