War Exists in Cuba. WASHINGTON, May 20 - The long and NEW · SPRING · GOODS! exciting debate on the joint resolution exciting debate on the joint resolution recognizing a state of war in Cuba and declaring that strict neutrality shall be maintained by the United States, was ended when the resolution passed the senate by the decisive vote of 31 to 14 at a late hour this afternoon. The announcement of the vote was received

with tumultuous applause, which drew from Hawley an emphatic protest against 'mob demonstration." The resolution as passed is as follows

"Resolved, etc., That a condition of public war exists between the govern-ment of Spain and the government pro-claimed and for some time maintained by force of arms by the people of Cuba, and that the United States of America shall maintain a strit neutality beween the contending parties, according to each and all the rights of belligerency in the ports and the territory of the

United States.' The vote on the final passage of the resolution was:
