JUNE 7, 1897.

The Kentucky desoccrats in state confree silver. The breach between the Oregonian. gold and silver democrats is widening rather than otherwise and it is more and the campaign of 1900, will in a large measure be a duplicate of that or 1896, except that the forces of sound money, raigned on the one side, the flatists, the retrogressionists, the anything for office crowd, and many honest but misguided men,on the other. In such a contest the ing back, no halting.

According to the Record the meeting at Medford that chose representatives from Jackson county to Cal. Cooper's convention at Albany, was anything but the county were conspicuous by their absence. The chief spirits were former gold standard democrats, converts to free silver for office and notorious spoilsmen. Some of the speeches, by those who did not approve of the forming a new party,

liberations. That he was not the kind of a reformer they wanted, and yet U'Ren has been in the front rank con-tending for the so-called principles of re-ders and the arrest of Durrant. If his form eyer since the movement started. Must there be some "plank walking" done there too?

The Oregonian asserts that Maggone, the grave robber, is a free silver man Since Jack Case, the dead train roober, was an advocate of the gold standard, honors are about even .- Review.

Hardly, neighbor. Holding up a train is a heap more respectable and manly than grave robbing. It takes courage to hold up a train, but the man who would ro's grave would kill a sheep and swear it was done in self-defense.

The democratic papers of the state do not appear particularly elated over the appointment of Benton Killin to report on the agricultural resources of Alaska; and yet it was this same Benton who so industriously endeavored to get for Tilden one of the electoral votes of Oregon Hardscrabble, on the Golden Point minin 1876, and who disgustedly, interpreted ing claim, burned with contents last the Latin of a dispatch announcing the | week.

decision of the electoral commission.

Well you can expect almost anything from Kansas from a cyclone to a grasshopper.

The PLAINDEALLE's report of the Albany convention published last Thursday was the most complete of any paper in the state outside of Albany and the public schools. Salem Journal whose editor was present.

Spain is patterning after Oregon. The teaching, which argues well for the work liberal members of the Cortes, the Spanof the Normal ish legislative body, held up the government by refusing to participate and forced Castello's cabinet to resign.

The Mite would be much obliged if Col. Eddy of the PLAINDEALER would tell us of what benefit to the taxpayers the railroad commission is. He is a member of it and we give him credit for defending it breause he thinks it is right.
Being rather slow of comprehension on such matters we ask our brother editor to enlighten us.—Riddle Mite.

This question was answered at some 100 But for the benefit of the Mite, if it night. really wants the truth, the substance of road commission costs the taxpavers of the state approximately \$9,500 a year. It has secured grain rates for Eastern Oregon that makes a saving to that section of at least \$250,000 a year as compared with rates in force when the railroad commission first took the matter coast. up. It has secured grain rates over the Southern Pacific that leaves in the pock- at work in the jute mill at the Felsom, ets of the farmers \$30,000 a year that Cal., state prison. A little solitary conformatly went for freights. The road finement brought the strikers to time. formerly went for freights. The road bed and bridges of the various roads are in excellent shape, These are examined twice a year. It prevents discriminations sgainst localities or individuals, of the cortes. It has been the means of adjusting a multitude of grievances between individuals too poor to go to law and the railroad companies. In short, it is a buffer between the railroads and the people.

It is notorious enough that the U. of O. less had to fight for its very life against drowning in the dirty pool of state and local politics, and that the out- it advisable. vention assembled indorsed Bryan and come of the struggle is still in doubt .-

Is it possible that such a state of affairs exists in gold standard Oregon? We thought from recent rea ting of the Oremore apparent as the days go by that gonlan that only in wicked free silver Washington politics is allowed to influence educational matters.-Roseburg Review. Gold or silver don't make politics

of a progressive civilization, will be ar-clear or dirty. The ideas of the public raigned on the one side, the flatists, the departments and in control of institu-tions, has something to do with it. Sa-
