What was at first supposed to be an earthquake a few days ago at Lansing, Iowa, is later believed to have been a shock from a falling meteor. I'ennoyer has lopped off the official head of Chief of Police Myers, alleging as the reason that he is "not in har- uony with the administration." The republicans elected all their can- didates for judges at the Chicago elec- tions Monday by over 20,000 plurality. The silver ticket did uot cut much of a tigure. The sternwheel steamer, Grady, that was telegraphed as over due at San	which was in collision on May 27 with the Atlantic Transport line steamer Mis- sissippi, arrived at Christiana, Norway, Sunday. At the time of the collision there were 400 passengers on the deck. The Heckla was going at reduced speed through a dense tog, and signalling un- interruptedly. Suddenly the Mississippi was seen bearing straight down upon the Hekla's bow. The Hekla immedi- ately reversed her engines, but too late to avoid a collision. The shock was ter- rific. The passengers were thrown in a state of panic, women and children ran wikily screaming about the steamer. It was soon discovered, however, that the damage was 'all above the water line, and troporary repairs were speedily ef- fected and the vessel pushed on to her der ation. The Hekla's officers main- tain that the Mississippi was responsible for the collision. They allege that she did not reduce her speed, nor did they hear the fog signale.	We have sold it for several years and it has never failed to give the most perfect satisfaction. G. W. Richards, Du- queene, P.a. Sold by A. C. Marsters & Co. Impure Bloods Rheumatism, Kidney Troubles and Sick Meadache the Results - Doc- tored for Years Without Relief. "My blood was out of order, and I be- gan taking Hood's Harsaparilla. It has purified my blood and relieved me of rheumatism, kidney trouble and sick headaches. I have been afflicted with these difficulties for years. I am now able to dy - od day's work. antagonizes a few more such old line democrats as John Myers, he may find that he has sown tacks in his path that will more than likely puncture his tire while scorching down the road that leads to the gubernatorial chair. Lynching is excusable at no time un- less there is an open and notorious mis- carriage of justice. In newly settled communities in the past it has been nec- essary for the better class of citizens to organize themselves into committees of safety ; but the conditions that called for such action do not or should not exist in such old settled communities as the state of Ohio, and a lynching there, like that which occurred last week, is an evi- dence of a lack of executive ability some- where. A Buffalo newspaper, which has made a careful examination into the business and manufacturing conditions of the ountry, estimates that at least one mil- ion men who were unemployed in No- ember fast have found employment ince the election of McKinley, and that ditional opportunities are being offered very day. When the tariff bill is en- ted into a law, so that manufacturers in make their estimates, another mil-	A family named Moore at Dayton, Or., were poisoned from eating canned corned beet the other day, but none of the cases proved fatal. James W. Sheppard a lawyer, shot and killed F. W. Coffey, another lawyer, in a court room in Arkansas. A lynching bee is expected. Lands in Coos county belonging to the estate of the late Genator J. N. Dolph have been ordered sold to pay the lega- cies provided for in the will. What was at first supposed to be an earthquake a few days ago at Lansing, Iowa, is later believed to have been a shock from a falling meteor. Pennoyer has lopped off the official head of Chief of Police Myers, alleging as the reason that he is "not in har- mony with the administration." The republicans elected all their can- didates for judges at the Chicago elec- tions Monday by over 20,000 plurality. The silver ticket did uot cut much of a figure. The sternwheel steamer, Grady, that was telegraphed as over due at San Francisco from Portland, is still on the ready for sea for a day or two yet. Another effort will be wade on the forth inst. to foat the ship Glenmorag, that went ashore on North Beach above the mouth of the Columbia over a year ago. There will be an onusually high ide that day. The steamer Hermoss collided with a	which was in collision on May 27 with the Atlantic Transport line steamer Mis- sissippi, arrived at Christiana, Norway, Sundav. At the time of the collision there were 400 passengers on the deck. The Heckla was going at reduced speed through a dense fog, and signalling un- interruptedly. Suddenly the Mississippi was seen bearing straight down upon the Hekla's bow. The Hekla immedi- ately reversed her engines, but too late to avoid a collision. The shock was ter- rific. The passengers were thrown in a state of panic, women and children ran wikily screaming about the steamer. It was soon discovered, however, that the damage was 'all above the water line, and temporary repairs were speedily ef- fected and the vessel pushed on to her der ation. The Hekla's officers main- tain that the Mississippi was responsible for the collision. They allege that she did not reduce her speed, nor did they hear the fog signals. The merit of Hood's Sareaprilla is literally written in blood. It is traced in the vital fluid Of millions of the human race. Its positive medicinal merit And curative power is written Upon the hearts, and graven upon The minds of thousands Of people whom it has cured And given good health When there seemed nothing before Them but darkness and despair. It cures all diseases arising From or promoted by impure Elood by its intrinsic merit as	We have sold it for several years and it has never failed to give the most perfect eatisfaction. G. W. Richards, Du- queene, Pa. Sold by A. C. Marsters & Co. Impute Blood by A. C. Marsters & Co. Impute Blood was out of coder, and I be- fau taking Hood's Harsaparille. It has purified my blood and relieved use of rheumatism, kidney trouble and sick headaches. I have been afflicted with these difficulties for years. I am now able to do odday's work. Rheumatism has trout me since I was achild, but I am now en trely well." Miss PHEOBE BAT- LEY, Box 145, Pasadena, California. "I have suffered from the effects of im- pure blood, boils, pimples, etc., for five years. I have tried various remedies with- out relief and finally purchased six bot- ties of Hood's Earsaparilla. The boils and pimples have all disappeared since I began taking this medicine. I am now entirely cured." Louis THOMAS, 1412 Ith Street, Oakland, California.
