What is the missing word in the following

sentence:

San Francisco

Schilling's Best tea is not only pure but it is-----because it is fresh-roasted.

Get a package of Schilling's Best tea at your grocers ; take out the Velleto Ticket, send it with your guess to Schilling's Best Tea, San Francisco, by August 31st.

One guess allowed for every yellow ticket. If your guess reaches us before July 1st, you are entitled to two guesses for each ticket.

If only one person finds the word he gets \$1000. If several find it, the \$1000 will be divided equally among them.

Every one sending a yellow ticket will get a set of cardboard creeping babies at the end of the contest. Those sending three or more in one envelope will receive a charming 1898 calendar, no advertisement on it.

In addition to the \$1000 offered we will pay \$100 each to the two persons who send in the largest number of Schilling's Best yellow tickets before June 15th.

Cut this out. You won't see it again for two weeks.
