It have ordered their western representaiarm property at low rates of interest, just as the pops and "Anarcrate" are preparing to make "scarcity of money"

The preliminary conventions of gold democrats which have been held in

aged by this fact. When a calamity howler demands to be shown "signs" of McKinley prosper-ity call his attention to the fact that notwithstanding a wheat crop 100,000,000 bushels bigger than last year and in spite of the "striking down of silver" last November, the price of wheat has advanced 21 cents a bushel.-Topeka Capital.

Fossil Journal: "Perry Kelsay, a brother of "Kid" Kelsay and a nephew of B Kelsay of Fossil, was killed by lightning near Westfall, Malheur county, two weeks ago. He was found dead beside his horse on Clover creek. The only sign of the fatal blow was a large hole burned in the top of his hat."

chance. Shoes have advanced in price that one with us. We sell you a good oil grain shoe for \$1.25 and upwards, fine shoes in proportion. If you doubt us, shoes in proportion. If you doubt us, erage one among many. If there was a erage one among many. If there was a distance that come and see us, convince yourself that erage one among many. If there was a we have what we advertise. We don't district somewhere at a distance that care to do all the business in town, but turned out as much gold as the products want to get a share of it. We firmly shipped from Umatilla this year will believe that a concern that gives its bring io, the excitement would be im-

Secretary Blies has issued instructions to the general land office which will, in city, They have the goods, and the substance, limit the right of bond-aided railroads to patents for lands of those lands sold by the company to bona fide purchasers, prior to the date of default by such companies on payment of their bonds or interest thereon. These instructions, the first formal expression of for constipation, biliousness, and all the administration on the subject, out- stomach and liver troubles. They never line the policy to be pursued towards the gripe. A. C. Marsters & Co. roads, and innecent purchasers from them, and the significant change is in

With a wheat crop of 675 million bushunusually light crop predicted in all the other great grain-groducing countries of the world the prospects of the American farmer are bright. The recent issue of "Bradstreet's," which is usually very conservative in its views as to the busi then he took a news foture, calls attention to the feet. To the Public.

On and after this date, I wish it understood that my terms for all undertaker's goods are cash with the order. I find it world have unusually light crops this year. Recent reports, it says, from Russia, Germany, France, and Hungary point to decreased wheat harvests, and that India will hardly supply her home demand, with like reports from Australia and Argentine, and adds: "This brings the United States to the front as a promitive to the front as a promit

inent wheat exporter under similar conditions to those which existed in 1879

That there is an actual shortage of wheat in the Argentine republic has been demonstrated by the chartering of two

liebank, 2179 tone register, is already loaded and ready for sca. The other, the Cressington, 2000 tons, is ready to begin loading at once. These ships will carry a large store of grain to the Bra-zilian capital, the first time in history that a cargo of this kind has gone from

The waters of these springs contain. ledine, Bromine, Potassium, the Carbonates of Iron and Lime and Chlorides of Calcium, Magnesium and Sodium.

One Spring contains 435 and the other ever 2000 grains of solid matter to the gallon.

Located on the Southern Pacific Kailroad, "Shasta route" from San Francisco to Portland, in Bouglas County, Oregon.

Aggravated cames of Rheumatisms, Nasal Catarrh, Catarrh of the Stomach, Dyspepala, Diabetes, Neuralgia, Maiarial Poisoning, Kidney Frouble, Constipation, Diseases of the Skin, Liver and Bowels, and Veneral diseases have been cured by the use of these waters.

New bath-rooms connected with the main here to that port. Brazil has always depended upon Argentine for its wheat Count Matsukata, the Japanese Premier, has given the silver elsteamen of the United States a great deal of trouble by his speech before the Japanese Diet, in

which he urged the adoption of the gold standard in his country, which the sil-verites had year after year beld up as the most prosperous country in the East, and most prosperous because of its silver standard. Count Matsukata's speech has been published by the state depart-ment, and by order of the senate, and the silver people are new spending a good deal of time in trying to devise an SUMMONS.

Chairman Bynum's remarks to the executive committee of the national democratic party yesterday reflected neither a disposition to apologize to Boy Bryan and return to the fold nor an inclination to be absorbed by the republican or-ganization. It is evident that, be they strong or weak, the sound-money men of the democratic party intend to "go it alone," without the fear of their former political associates or the favor of their old adversary. Some of them supported McKinley, not because they loved him, but because they hated Bryan and his platform, and now they are not more likely to become swallowed up by the republicans than they are to return to the free coinage wing of the old party. They have a business-like air about them. Indeed it looks as if they expect

IN THE CIRCUIT COURT OF THE STATE of Oregon for Douglas County he Noonday Mining com-pany, a private corporation John A. Roebiling's Sons Co., a private corporation, Al Parker, Daniel M. Tracy and Charles F. Morse, trus-tors, Defendants

To Charles F. Morse, one of the above named defendants: In the name of the State of Oregon, You are hereby required to appear and answer the com-plaint filed against you in the above entitled suit on or before the first day of the next regu-lar term of this court, to wit.

Monday, December otta, 1897, and if you fall so to appear and answer for want thereof, the plaintiff will apply to the court for the relief demanded in the complaint, a succinct statement of which is as follows, towit: For judgment against the defendant, The Noonday Mining Company, for the sum of \$502.68 and interest thereon from the 17th day of May, 1897, at the rate of eight per cent, per annum, and the further sum of \$500 as attorneys fees and costs of this suit. That the said amounts be decreed to be a lien upon the property described in the complaint, to wit. Quartimill, tramway and concentrators, and the land upon which the same are situate, and that the whole of the mill site be adjudged uccessary for the convenient use and occupancy of the mill, all situate in Bohemia Mining District, County of Douglas, State of Oregon. For the usual decree forcelosing plaintiff liens and decreeing the sale of the property described in the complaint and the application of the proceeds to the payment of the costs and disbursements of this suit, attorneys fees and the amount due plaintiff, and the balance, if any, pay to such person as the court shall decree critical thereto. Monday, December 6th, 1897, pay to such person as the court shall decree en-utiled thereto.

This summons is published by order of the circuit court of the State of Oregon for Douglas County, duly made and entered on the 20th day of June, 1997.
