out in the trains. The mail, baggage Co. and express cars, smoker, day coach and tourist sleeper were burned. A number of passengers who were not killed outright, but were pinned in the wreckage and could not be extricated, perished in the flames. There were about 200 passengers. It is estimated that 25 persons were killed, and as many more bruised, scalded and burned, of whom five or six are likely to die of their injurier.

The surviving trainmen say the trains were not running fast, but the facts seem to be that both passenger and freight were going at full speed, the passenger about 20 miles an hour and the freight

One of the worst wrecks in the history equal to the task of shoveling snow off of the Santa Fe railroad occurred three ten square feet of sidewalk. Ten or eleven persons were broken out at the South and the gold killed, and as many more were badly fever raging along far northern trails burt.
