There is a cry now among the butchers that meat is advancing. It is said that by spring only the wealthy will be able to serve it on their tables. This is caused by the large demand for cattle from outside markets, and by the fact that the high price offered caused nearly every ranchman to sell the cattle he could spare, with the result that our own stock has been left without enough cattle for their winter's supply.—Mining Journal.

**Died.** In this city November 2nd, 1897, D. F. Allison, aged 41 years 6 months and 12 days, of rheumatic neuralgia. Mr. Allison had been afflicted for several years with the above named complications but most of the time was able to attend to his business, that of groceryman, on the corner of Jackson and Oak streets. On the evening of the 1st he was up and about attending to business, apparently as well as usual. Early Tuesday morning he was suddenly attacked, the pain centering in his head. Dr. Hoover was called but the attack was so severe the patient died in a few minutes, and thus our citizens have been startled with the announcement of so unexpected death. The funeral services were held in the Baptist church, conducted by Rev. H. B. Dillworth of the Presbyterian, from the word of words: Jesus: In my father's house are many mansions. It was a very able and consolatory sermon, abounding in the hope of a final home in our father's house. The remains were buried in the Masonic cemetery followed there by a large number of sorry friends and sympathizing neighbors. We all feel that a good man has passed away.

At Salvation Army Saturday night, U. S. soldiers and bluejackets will be to the front. You must come and listen to their songs and thrilling experiences with Indians in the Wild West. Weather permitting they will march the streets in their fascinating uniforms. Remember there will be a pound meeting in connection. Everybody bring a pound of provisions along to supply the officers' mess.
