They are provided with every modern of the day. It will go like hot cakes, device to prevent accident; and though The country people as well as the town people are beginning to find out the diffusions between fresh class candles known as an Oregon boy, a fact that has And then we're more wide awake and

everybody along the line is looking out

## Southern Oregon Placers.

Mr. H. Carson, of Gran's Pass, a

The daylight ride along the Columbia and one extra, for an air-brake hose they ear. Passengers taking the Spokane Flyer, leaving the Union depot at 2:45 p. m. daily, get this view lasting over five bours. But that is not all. The C. R. & N. give through service to Spokane, and a direct connection with the train from Spokane to Kootenai country. Palace sleepers and modern coaches operated daily without change.

The daylight ride along the Columbia and one extra, for an air-brake hose they are nothing to what they will be treat and had to be repaired at the expense of over five minu'es of time.

The choral union of Grant's Pass is already making extensive preparations for the convention of the Rogae River Valley Choral Union, which will be beld at the opera hou e in that city during the boldate—from December 28th to 31st, inclusive. Prof. W. H. Kinross of Portland, the well-known musical director, has been engaged, and nothing water that is not paying. Some of them rector, has been engaged, and nothing water that is not paying. Some of them will be left undone to make the meeting have been heavy producers for years, but still no great stir is made over them. I look for a wonderful development in

Everybody Says So.

County Clerk Pierce of Curry county, property of the county of the count has fired the first gun of the approaching campaign by publicly aunomoting that he is a candidate for renomination by the republicans of Curry county.

A levee to prevent the waters of Klamath lake from flowing into Lost river has been completed by J. F. Adams, of Klamath county, and is a substantial piece of work. It is 13, miles long, from four to nine feet high, 12 feet wide on top, and from 24 to 50

spirit not to trust too much to that old practice of waiting for a dollar a bushel. fluences which caused it to assemble; its character and rank as a deliberative body; what it accomplished.

(100 I enough is pretty good some times A bird in the hand is worth two in the bush, and is a very nice idea to keep in bush, and is a very nice idea to keep in ones head on the wheat question, -Ab

> The mill at the Jewett mine, three miles from Grants Pass, is steadily running. The ore now coming from this mine is of much higher grade than heretofore and plainly discloses free gold. This ore is coming from the "Big Chamber" that furnished many years ago so much rich ore. The crossent now being run to tap this chamber 120 feet lower is now within 20 feet of the point of destination. The possibilities are immense.—Mining Journal.

The Texas Farm and Ranch truly says that some of our chicken cranks delight at the same time they rell their pure-bred eggs and buy the product of the mongrel for their own omelets. We could far better dispense entirely with the fancy fowls than the farmer's common hens. They supply practically all the eggs of commerce, and nearly all the table fowls. They are the useful fowls, and as such are entitled to better treatment than they usually receive.
