FAMINE AT DAWSON.

An Indian Mailcarrier Brings a Doleful Tale.

A dispatch from Victoria of the 12th inst says:

The distress at Dawson City, caused by the shortage of prevision and every-thing else, with the exception of gold, was not redeved to any appreciable ex-tent by the arrival of the Bella and Weare. Conditions there were just as bad, in fact worse, a month after the arrival of the steamers is they were before the vessels put in an appearance with their scanty cargoes.

Just before the departure from Juneau of the steamer City of Topeka, which arrived here this morning, the old Indian mailcarrier, Auk, arrived from Dawson. He reports that fully 1000 men, if not more, are strong along the trail from the An important meeting of the execu- metropolis of the Klondike to salt water.

Maleon, of Salein, and C. A. Finch, of Oregon City, were also present advising of Seattle, who recently went into the in-terior. Pullin says that after the government officials had posted a The main purpose of the meeting was to fix the time for the holding of a state try if they valued their lives, many men
