J. B. Riddle is all smiles. When he walks he only touches the high places; and no wonder! He made a cleanup at the Cracker Jack mine recently and the result of an eight day's run with one giant was \$500 in pure gold. He had it retorted into one lump, and it was a sight to behold. Truly, South Douglas is a Klondyke at home. Scorcher,

#### Glendale.

Mrs. Adelia Redfield, of Boskydell, made a business trip to Glendale on Monday.

Houses are in demand in Glendale, and times are generally good. Peace and prosperity prevails.

Mr. and Mrs Geo. Roberts, Jr., of Yreks, Cal., and their little daughter, Genevieve, will be our guests during the holidays.

Our next items will be written at Placer, and in the meantime we will visit several mines of note on Wolf and Coyote creeks. Miss Mima Hamilton was called

home from West Fork by the serious ill-ne-s of her mother, Mrs. L. Jones, who is now some better. The Douglas mine on Tennessee gulch is now ready for its winter's run. The flume being finished and many other im-

provements added. This mine is too well known to need a lengthy notice. Mr. Purdy, of the Invalid mine, was in town Monday, and as usual brought a nice not of gold dust to send to the mint. He informed us that his wife, who went to Montague, Cal., seeking n.edical aid was very little better. Her disease

went to Montague, Cal., seeking n.edical aid was very little better. Her disease is varicks and is in a dangerous stage, we regret to say.

J. L. Dewey is now selling off at cost and contemplates closing out his store at this place. Mr. Dewey has built up a prosperous business, and by fair and generous dealing has an immense trade in this valley and the mines adjacent. His going is regretted by all. We wish him, his wife and daughter prosperity wherever they may go.

J. L. Dewey, of the farmer's store,

The right is reserved to reject any and

J. L. Dawey, of the farmer's store, pent I ast week at his bydraulic mine on Hogem. While there he made good wages in washing in the mine. He showed us the gold he cleared up from a few hours work on the bank below the reservoir. The value was \$65. The gold is pale sellow, of a greyish color, and is exactly like the famous Pikes Peak gold. This mine is a very old one and the gold that has been taken from it during the past forty years is fabulous in ern methods of mining with astonishing MOLLIE.

### Odd Fellows' Entertainment.

The Odd Fellows of this city are contemplating giving a series of entertainments for the purpose of raising funds to lodge that meets here in May next. A of the board of directors. letter was addressed to General Compson asking him to deliver, on a date to be fixed, his famous lecture on the "Bat tle of Gettysburg," and this is his reply

POBILAND, OR , Dec. 14, 1897. Hon. D. S. K. Buick, Roseburg, Or Dear Sir:—Replying to your valued favor of the 10th inst. in relation to delivering a lecture in your city on the "Battle of Gettysburg," I beg to say, if I can be of service to you and aid the good cause you have in view, I shall be most happy to comply with your request.

I shall take great pleasure in lecturing Be sure and ask for Mrs. Winslow's Soothing on this subject, which I think will be most interesting to all, especially when it is accompanied, as it will be, by stereoptican views of the great event; which fully explains why this battle was considered the most important passage at arms that has occurred on American soil and how, in the numbers of men engaged and in the desperate character of the fighting, it was likened to the 'Battle of Waterloo."

the battle and in the midst of the three day's fighting, seeing it drawn to a close. The lecture will be my own reminiscence of that great struggle.

Having been in the cavalry that opened

With personal esteem, believe me to be, Most faithfully yours, H. B. Compson.
