What can be sweeter, neater, cheaper, and just exactly the thing for a valentine than none of our nice fresh cream and candies. Just surprise your best girl on the 14th of February by sending her half a dozen or more boxes of Kandy Kitchen's choicest sweets.

The old system of numbering the bridges over the river on the Southern Pacific by putting in figures representing the number of miles from San Francisco and a letter denoting the bridge in the mile, which was hieroglyphics to the uninitiated, has been done away with and a telegraph post now serves as a mile post if in the right place, otherwise a post is used. If a telegraph post is painted white for several feet from the ground and then there is a cross piece with the number of the mile painted thereon. The bridges are numbered with a simple letter beginning in each mile with an A. The gang passed here a few days ago working north, making the change as they went.

The League cleared about \$8.

Thos. Van Pelt, who, with his sons, were recently released on bail, pending trial for killing Al Coolidge in October last, was shot from ambush Saturday morning, near Cheto, Or. A feud had long existed between the Van Pelt and Coolidge and his friends, which many predicted would terminate tragically. It did first, in the shooting of Coolidge and second, in the shooting of Van Pelt this morning. The latter assumption is based on the belief that the senior Van Pelt was shot by friends of Coolidge.

Sheriff Barnes came up from Jackson county Saturday morning and took back with him the two men arrested by Marshall Hillard. They will be charged with the murder of Peter Nelson in a stock car near Medford on Tuesday of last week. A cold blooded murder was committed by some one, and as Nelson was known to have had money, robbery is the alleged motive. Certain it was that he was robbed. There were marks on his clothes that showed that the murderer had searched the pockets with their bloody hands and then pitched the man with the number of the mile painted thereon. The bridges are numbered with a simple letter beginning in each mile with an A. The gang passed here a few days ago working north, making the change as they went.
