One of the finest and best equipped railroads is the Chicago, Milwaukee & St. Paul. On our recent trip through South Dakota, Iowa, Minnesota and Illinois we tried this railroad and know whereof we speak. The road is splendidly equipped with fast trains, the coaches are furnished with the latest improvements and it is a pleasure to ride with these people. They employ none but sober, industrious men who constantly look after the comfort and safety of the traveling public. Anyone traveling in the above or adjoining states should take the Milwaukee road by all means if it is convenient to do so. If you wish information concerning this excellent and popular road, call on any ticket agent, or write to J. J. Edley, General Agent, at Portland, Or., and he will gladly give it.
