Weather-General rain fell Tuesday, Wednesday and Thursday, amounting at Roseburg. Southward from Douglas navy-yard, New York. county the rain decreased in amount. In the coast counties the rainfall was was about one inch. Puring the time the rain was falling the temperature navy yard, New York. ranged from 45 to 58. The mean temperature for the week averaged 55, dress League Island, Pa. which is I higher than for the preceding ponding week of 1897. The lowest tem- New York. perature. 36, occurred at Roseburg on Tuesday. On Sunday the maximum temperature ranged from 80 to \$4; today has been cooler, with increased cloudiness and southerly winds.

Crops-The rain was most beneficial. More rain would be of benefit in Dongas, Josephine and Jackson counties, es- Address navy-yard, Norfolk, Vapecially so in the last two. The rain was accompanied and followed by warm dress Key West, Fia, weather, which produced a rapid growth in all vegetation. The frosts of last Monday, April 18, did no injury. Alfalfa hay is 16 inches high in the southern Address navy-yard, Norfolk, Va. counties. Clover and timothy hay have have bad a fine growth during the week. Jungen. Address navy-yard. New The present prospects is for a very large York. hay crop.

Except on the very low land, spring Address Pensacola, Fla. teeding is finished. Fall and winter sown grain are making good growth, and the reports, without exception, indicate, from present appearances, an unusually Itland, Cal. large grain crop. Plowing for summer fallow continues, and all available land Island, Cat. is being plowed. Spring-sown wheat and oats are [making good growth and land, Cal. promise well. Corn planting continues and and it will be finished this week. Hops are growing rapidly; they have commenced to climb the poles. Lambing is about over; the percentage of loss is unusually small. Shearing continues with excellent clips. Garden making is about finished, and the rain of the past week was of especial benefit to all gar-

The fruit prospects were never better. Apple trees are now in full bloom, The bloom has fallen from almond, appricot, peach, pear, plum and prune trees, and has commenced to fall from cherry-trees. The frosts have done no injury, and unless frost or cold thins out the fruit, much hand pruning will be necessary. The soil is in fine condition; vegeta-

tion is well advanced and growing rapididly. The week closes with most excellent crop prospects.

continues, though a near approach to the conductors. No change of cars to summer type has occured; but until the cities of Omaha, Chicago. Buffalo or later is distinct and chairle marked Boston. The ideal trip to the east is latter is distinct and plainly marked, now before you. Remember this service rain may be expected, with occurrence when going East, and consult (). R. & N of cool weather. B. S. Pague, Section Director, Portland, Ur.
