#### On the Way to the War.

[From our special correspondent.]

ON TRAIN, near Ashland, May 12, 1898. Thinking that a few notes from Co. B, Sec. Or. Vol. might be of interest to your readers, I take this opportunity of dropping you a few lines.

At time of receiving call of governor for service April 25, 1898, Co. A, Sec. Regt. O. N. G. had upon her rolls 62 names. We were ordered to report at Army at 1:30 a. m. Thursday morning for physical examination before Surgeon Ellis. Ten were rejected on account principally of defective eye sight.

We left Roseburg on the local Saturday morning April 30th, 45 strong, escorted to the depot by G. A. R., W. R. C., Soldiers' Home Veterans, school children and a grand concourse of friends and relatives, arrived in Portland at about 5 o'clock and marched at once to Camp McKinley, Irvington Park. Here we joined Co. D which was already on the ground, and work of consolidation began. In the second physical examination which was almost as severe as the required for entrance into the regular army, 16 of our boys were thrown out, many upon what seemed to us very trivial defects.

Fred Wright lacked one-half inch of the requisite height. Patterson, Richardson, Victor Armitage, Harry Hill and several others were not heavy enough according to height. Corp. Van Hodson, Privates Henry Worthington and R. L. Powell, Jas. W. Brown failed to stand the hearing test. Geo. Jones failed on the hearing test. Sgt. Donnell, Corporals Ed Hamlin and O. C. Brown were rejected upon trifling defects. Something wrong with Tom's heart; Hamlin had a stiff joint in his big toe; while Brown, as strong and robust a man as was in the company, was rejected for a small upturned blood vessel in calf of left leg, not larger than a grain of wheat.

The only satisfaction we have is in knowing that the other companies were required to pass the same test, many losing even more heavily than did we.

The Ashland boys of Co. D., with which we are consolidated, are a set of jolly good fellows. Our captain, John L. May of Co. D, O. N. G., ranks next to Capt. Heath and is a general favorite to both officers and men. F. B. Hamlin, captain of old Co. A, Sec. Regt. O. N. G. is first lieutenant of Co. B and working for the company's success. Our second lieutenant is Lt. J. E. Thornton of Co. D, Ashland, who is very popular, not only with the boys but with the young ladies from Portland south.

After being mustered in and thoroughly equipped, the first battalion composed of Co's A, B, C and D under Major Gantenbein and Lt. Col. Yorlan, were ordered to leave Portland on Wednesday at 6 p. m. for Fresno, Cal., to form a part of the force that is to be sent to the Philippines.

Just prior to our starting the Ladies' Emergency Corps of Portland handed to the captain of each company \$100 in cash to be used for the benefit of the company as he sees fit. They also distributed among the boys of the companies a large number of towels, handkerchiefs, packages of soap, paper, envelopes, etc., which will add very materially to their comfort and enjoyment and are very highly appreciated.

Leaving Camp McKinley at about 3 p. m. in heavy marching order with three days rations of canned beans, beef and hard tack in our haversacks, we marched through the streets of Portland, escorted by the second and third battalions, bringing up finally about 5:30 p. m. at the Grand Central depot where we took cars for San Francisco.

The men are furnished with Pullman tourist cars and the officers with Pullman standards.

As we came down the road we were royally received, each town giving special attention to its own company. We were highly pleased with our reception at Roseburg and shall ever remember the kind people who met us at the train at such an unreasonable hour with words of cheer, and such liberal supplies of food which cheers the inner man.

At Ashland the scene was repeated. Boxes of lunch were also furnished here for every member of Co. B, which with our Roseburg supply will last us till we reach San Francisco without drawing upon our carried goods and hard tack, for which we return thanks to the giver of every good and perfect gift. A. B. C.

PRESIDIO, CAL., May 13, 1898. ED. PLAIND DEALER: Thinking perhaps the good people in Roseburg might be glad to hear from the boys that left there, I take the present opportunity for writ-

ing a few lines. We left Camp McKinley on the 11th of May, took a six mile march from the camp to and in Portland. We were cheered from the time we left the Camp until we reached the California line. The ovations in Portland were very great, and one that will long be remembered. All along the line we were received in the same manner. When we reached Oregon City the people came out with large boxes of grub which they had their trouble for nothing, the train went by as fast as the old iron horse could carry us. At every station along the line they soluted us by firing off guns and yelling like cowboys. We feel proud of the reception given us at Roseburg, and take this opportunity of thanking everyone for the friendly greeting, and also for the lunch presented us of which we have some left for our supper. Leaving Roseburg we were royally cheered at every station especially Grants Pass. At Ashland we made a thirty minute stop where we were stimulated on hot coffee. The Ashland people were as generous as in Roseburg. We noticed some of our Roseburg friends Mrs. Geo. Eats and F. W. McKechnie and wife formerly of Oakland, and others. They all wished us a pleasant journey and that we would all soon return home. From Ashland every body were strangers to us, but the scenery is beyond description. Among the many incidents along and among the Siskiyou is Shasta mineral springs. We stopped and took a drink and filled up our canteens with this water. It has a very peculiar taste. Another incident that I forgot to mention. When we came to Rogue River we were all ordered out down to the river, and the order came to pull off our shoes and wash our feet. The stream that was a short time before clear as crystal, soon became the color of ink, and I suspect that a good many fish will come to an untimely end. We arrived in Oakland, Cal., this morning (13th) at 6:30, crossed over on the ferry boat to San Francisco, and from there we marched out to Presidio, a distance of 4 miles. We have our tents all put up, and a small bit of hay spread on the sand for our beds. Have just been down to the beach and out to the barracks. Sergeant Harry Egan, Corporal Geo. Day and your humble servant are all living in the same tent, and are as happy as clams. Our old friend and neighbor E. McCreé, called on us this evening, and wished us success in our campaign with Spain. We understand that we will leave next Tuesday for the Philippines. You will perhaps hear from us from time to time. D. R. S.

#### State Convention of the Society of Christian Endeavor.

The annual convention of the society of Christian Endeavor of the state of Oregon convened in this city on last Thursday. While the attendance was not as large as was expected the lack in this respect was made up by the enthusiasm and earnestness of those who were present. The officers for the preceding year were:

H. S. Gile, Salem, president; first vice president, Addie M. Boston, Corvallis; second vice president, B. L. Stowell, Union; third vice president, Leona Shupe, Roseburg; secretary, Burt B. Barker, McMinnville; treasurer, Fred Lockley, Salem. Superintendents: Junior, Mrs. J. C. Hobson, Newberg; Missionary, Rev. H. L. Hood, Shedd; Temperance, Mrs. Robert McMurphy, Eugene; Good Citizenship, Rev. E. E. Thompson, McMinnville; Floating Societies, Mary E. Peach, Portland.

The business meetings were held in the Methodist church which was beautifully decorated with the colors and emblems of the society. O. P. Conhow on the part of the people of Roseburg delivered an address of welcome. Rev. F. L. Moore, on the part of the ministers and young people, also delivered an address, welcoming the visitors to our city. Rev. W. C. Kantner of Salem, made a suitable response, on the part of the visitors.

The address on "True Patriotism," by Rev. H. W. Kellogg, of Portland, on Friday evening, was one of the best ever delivered in the city.

The secretaries report for this year shows:

During year 277 members of the C. E. has joined the church.

About one-half of the societies are holding missionary meetings and following some form of systematic giving.

The treasurer reported \$325 collected during the year and a deficit of \$40 at the present time.

The next convention will be held in Portland.

The following officers were elected for the ensuing year:

President, C. G. Lemasters of Dallas. 1st vice president, Addie M. Bristol, Corvallis.

2nd vice president, Mr. Montgomery, Oregon City.

3rd vice president, Henry Cramer, Grants Pass.

Secretary, Burt B. Barker, McMinnville.

Treasurer, B. Leroy Stowell, Union. Much credit is due the local society for the success of the convention. The visitors spoke in the highest terms of the entertainment and the courtesies shown them while here.

#### An Old Folks' Party.

LOOKING GLASS, Or., May 14, 1898. On the 10th inst., a very enjoyable day was spent at the residence of Mr. J. J. McCoy, in honor of his sixty seventh birthday. At 1 o'clock dinner was served. The table fairly groaned under its load of delicious food. Grandpa McCoy knows how to manage such affairs and in this instance she excelled her reputation. Grandpa McCoy is always jolly but on this occasion one would think he was a man of 67 instead of 67. Those present were: Mr. and Mrs. J. J. McCoy, Mr. and Mrs. W. A. McCoy, Mr. and Mrs. John McCoy, Mr. and Mrs. S. D. McCoy, Mr. and Mrs. Willy Miller, Mr. and Mrs. Con Denning, Misses Kittie, Lenna, and Maud McCoy, Grandpa and Grandma Buell, Mr. and Mrs. N. L. Grimes, Mr. and Mrs. Frank Stricklin, Mr. and Mrs. E. Olivant, Mr. and Mrs. Riley Andrus, Mr. and Mrs. George Marsh, Mr. and Mrs. J. E. Williams, Mr. and Mrs. A. K. Mattoon, Mr. and Mrs. E. A. Mattoon, Mrs. N. Boyd, Mrs. Claud Cannon, Mrs. Hal Laughary, Mr. Allen Mattoon, Uncle Jeff Williams, and Mr. Jobe Denning.

M.

There is a special reason why every loyal citizen of the county should at this time vote for the republican candidates for representatives. The national guard to the number of more than a thousand have been called out by the governor, and responded to the call, almost to a man. These men were in camp for two weeks before they were either mustered into the service of the United States or sent home. For this time every man has a just claim against the state of Oregon. As there is no funds appropriated for that purpose, on account of the failure of the last legislature to do business, the next legislature will be called upon here during the last 10 days for the use of Uncle Sam. One consignment included 200 ambulances. This shipment does not include the car sent to Churchill & Woolley of Roseburg, Or.

#### Republican Candidates for Representatives.

It would hardly have been possible to have found three more available men for representatives than those chosen by the republican convention, as their nomination for these important positions. All are old and highly respected citizens of the state and county.

A. R. MATTOON.

Was born in Chickamauga county, Oregon, July 12, 1833. He is now a resident of Looking Glass valley where he is engaged in farming. Mr. Mattoon is one of the best informed men in the state in regard to the needs of the people, and he would bring to his aid a ripe experience gained by close observation and extended acquaintance with public men and affairs. In the legislature Mr. Mattoon will rank with the most useful members.

A. F. BROWN.

Of Oakland was born in Stratford New Hampshire. The history of his life has been one of success in business, as a result of strict honesty, integrity and perseverance. At the age of 14 he left the farm and entered a business house as errand boy. He soon worked his way up until he owned an interest in the store. He continued in business in the east until 1859 where he sold out to come to the Pacific northwest. He came overland and settled in Douglas county where he has resided since that time. For a number of years Mr. Brown was one of the leading merchants of Oakland, and in fact Douglas county. He has large farming interests in Douglas county, which now occupy his whole attention. No man can be found who would for a moment doubt the honesty and integrity of A. F. Brown, or who would for one moment doubt but as a representative of the people, every energy which he possesses would be brought into requisition in the interests of the people whom he represents. Mr. Brown has always been an active, consistent republican.

J. B. RIDDLE.

Of Riddles, was born in Springfield, Ill., in 1844, and came to Oregon in 1851 with his father's family, coming overland with an ox team. They settled in Cow creek valley in this county, near where Mr. Riddle has resided ever since that time. Shortly after he became of age Mr. Riddle purchased the farm on which he now lives, and on which, when the railroad was built through the county the town of Riddles was built, and he has resided there ever since that time. He has large property interests at and near Riddles, consisting of farm and orchard lands, and is also interested in the mining business, being the owner of one of the best mines in South Douglas. He is interested in the material and financial prosperity of Douglas county and no man could be elected to the legislature who will guard the interests of every citizen with more care than will J. B. Riddle.

While Mr. Riddle has always been a republican he has not been an office seeker, having been content to work in the ranks and help others.

WILL P. HEYDON.

whom the republicans have for the third time nominated for surveyor of Douglas county, has during the two years which he has served the people in that capacity, proved himself to be a very popular and competent officer. Mr. Heydon is a veteran of the Civil war, having served four years and five months, during all of which time he was in active service. Mr. Heydon is an experienced and accurate surveyor, having been engaged in governmental work at different times during many years. He came to Douglas county in 1887, and settled on a farm northwest of Roseburg on which he now resides.
